Mumbai, 7th Feb, 2013: Reliance Global Call, a leading web based international calling service provider, today announced the launch of [Facebook Double Talk Time Offer](#) this New Year season offering savings up to 60% on overseas calls from [Facebook only](#) to over 230 countries worldwide from USA, Canada, UK & Australia. This plan allows every new subscriber user to subscribe this Facebook Double Talk Time offer from the official Reliance Global Call Facebook page.

The Facebook Double Talk Time offer helps every new subscriber to save more than 60% on overseas calls as compared to other international calling plans that allows each one of them to talk more with their loved ones. This service provides a seamless calling experience with high clarity, easy connectivity, uninterrupted calling and cheaper international calling rates.

Commenting on this offering, Punit Garg, President & CEO, Reliance Communications Limited said, ***“We are committed to offer the best of services to our customers and the launch of Facebook Double Talk Time offer is yet another step in that direction. Keeping in mind the higher calling needs of our customers, we are offering savings up to 60% on overseas calls through our official Facebook page and allow each one of them to talk longer with their loved ones that will ensure maximum benefits to our valued customers.”***

Country wise offer:-

COUNTRY	SIGN UP VALUE	FREE ADDITIONAL TALK TIME	TOTAL TALK TIME
USA	5 USD	5 USD	10 USD
UK	2 GBP	2 GBP	4 GBP
Canada	5 CAD	5 CAD	10 CAD
Australia	5 AUD	5 AUD	10 AUD

Reliance Global Call users can visit the official Facebook page of Reliance Global Call and participate in the Double talk time contest by selecting their country and filling the details to generate the coupon code. Users can then use this same code on the sign up page of Reliance Global Call website and enjoy the Double Talk time offer.

Reliance Global Call customers can now make long distance calls over the superior Reliance network with amazing voice clarity at lowest rates, without worrying about any surprises or hidden charges. Reliance Global Call offers a one [touch mobile app – Express Dial](#) for long distance calling solutions and this app helps every customer save time and the effort of dialling long number of digits.

Users get to experience world-class telephony via [Reliance Global Call](#) and have the option of calling over 230 countries worldwide.

About Reliance Communications

Reliance Communications Limited founded by the late ShriDhirubhai H Ambani (1932-2002) is the flagship company of the Reliance Group. The Reliance Group currently has a net worth in excess of Rs. 90,000 crore (US\$ 17.7 billion), cash flows of Rs. 8,000 crore (US\$ 1.6 billion), net profit of Rs. 3,200 crore (US\$ 0.6 billion).

Reliance Communications is India's foremost and truly integrated telecommunications service provider. The Company, with a customer base of about 130 million including over 2.5 million individual overseas retail customers, ranks among the Top 6 Telecom companies in the world by number of customers in a single country. Reliance Communications corporate clientele includes over 35,000 Indian and multinational corporations including small and medium enterprises and over 800 global, regional and domestic carriers.

Reliance Communications has established a pan-India, next generation, integrated (wireless and wireline), convergent (voice, data and video) digital network that is capable of supporting best-of-class services spanning the entire communications value chain, covering over 24,000 towns and 600,000 villages. Reliance Communications owns and operates the world's largest next generation IP enabled connectivity infrastructure, comprising over 277,000 kilometers of fibre optic cable systems in India, USA, Europe, Middle East and the Asia Pacific region.
