

Alien Invasion Survival Kit

Specification Sheet

MSRP: \$124.99

New for 2013! Check out our new Alien invasion Survival Kits packed in our new 4th Generation Military Transport Pack. This pack is not military styled it is military gear used by troops in the field so whether you are concerned with the coming alien invasion, zombie apocalypse, nuclear winter, meteor strike, or just a really bad storm, this is the kit for you! It is also the perfect gift for a college student or anyone else who thinks that when the aliens come it is time to get out of town. ***This kit is no novelty*** -- check out the contents. It is stocked full of stuff and exceeds the Ready.gov recommendation for alien invasion, zombie attack and most other emergencies. It exceeds the recommended standard for hurricanes, tornadoes, earthquakes, volcanoes, and anything else you can think of. It is perfect to hang by the door in a dorm room, apartment, or house. Disasters happen every day. Be prepared.

The kit includes the following:

- Alien Invasion Warning Sign -- This is a must have item for any alien kit. It is made out of heavy gauge aluminum and perfect for marking the outer boundaries of the alien occupied area. It also looks great on a dorm or bedroom door and is proven to keep out little brothers, sisters, and unwanted dorm managers.

Food and Water

- 3 Boxes of Aqua Blox Water Boxes
- 6 - 400 Calorie Food Bars (2400 Calories)
