STAINLESS STEEL

Grades: • 302 • 303 • 303s • 303se • 304/304L • 309 • 310 • 316/316L • 317 • 317L • 321 • 347 • 410 • 416 • 420 • 430 • 440A • 440C • 440F Se • 455 • Duplex 2205 • Stocked as annealed: 13-8, 15-5, 17-4, 17-7 • Can also be furnished in the following conditions: H900, H925, H1000, H1025, H1050, H1075, H1100 and H1150

BRASS, COPPER, BRONZE

Grades: • 110 • 145 • 147 • 314 • 316 • 345 • 353 • 356 • 360 • 464 • 482 • 485 • 510 • 521 • 524 • 544 • 600 • 602 • 604 • 605 • 630 • 642 • 651 • 655 • 673 • 674 • 675 • 676 • 694 • 697 • 792 • 798 • 932 (660) • 954 • Cupro Nickel 70-30 • Cupro Nickel 90-10

ALUMINUM

Grades: • 1100 • 2011 • 2014 • 2017 • 2024 • 2219 • 3003 • 5005 • 5052 • 5083 • 6061 • 6063 • 6262 • 7075 • Most tempers available

COLD FINISHED AND ALLOY

Grades: • 1005 • 1008 • 1010 • 1018 • 1045 • 12L14 • 1215 • 1117 • 11L17 • 1137 • 11L37 • 1141 • 11L41 • 1144 • 1144L • 4130 • 4140 • 4140L • 4145 • 4150 • 4340 • 4340V • 8620 • 8620L • 9310 • 9310V • 52100 • Certain alloys available in aircraft and bearing quality

SPECIALTY STEEL, EXOTICS

Grades: • A-286 • Hastelloy • Inconel • Monel • Waspaloy • Invar • Kovar • Titanium • Tungsten • AERMET • Nickel 200 • Nickel 201 • Monel 400 • Monel 405 • Monel 500 • Inconel 600 • Inconel 625 • Inconel 718 • Inconel 800 • Inconel 825 • L-605 • Nitronic 40 • Nitronic 50 • Nitronic 60 • Tungsten • Hastelloy C-276 • Hastelloy X • Hastelloy X -750 • Kovar ASTM F 15 Alloy • Alloy 45 • 46 • 47 • 48 • 49 • 52 • Invar Alloy 36 • 42 • Titanium 6 AL 4V / ELI • AERMET 100 • Maraging 200 • Maraging 250 • Maraging 300

SHAPES

• Round • Hex • Square • Flat • Angle • Channels • Pipe • Tube • Sheet • Coil • Plate • Wire

ADDITIONAL SERVICES

- Turning or grinding to your desired diameter and microfinish.
- Heat treating and machine straightening of bars.
- Polish and PVC.
- Drawing to length or diameter.

GENERAL INFO

Please contact us to request a quote. We specialize in providing “hard to find” materials. We work closely with many manufacturers in the aerospace/defense industry using NADCAP approved heat treaters and testing laboratories. We will supply DFARS compliant material as requested.
