Connect Passport *for Adobe Connect*

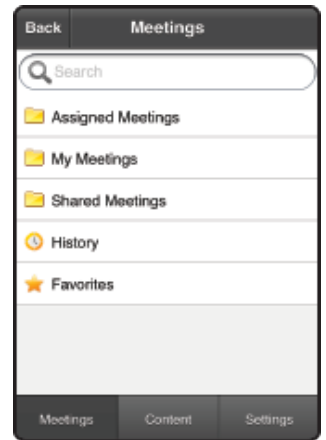

Adobe Connect Mobile users will welcome the addition of Connect Passport to their smart phone or tablet. With Connect Passport, **gain access to all your meetings** and stored content, right from your device.

Connect Passport **works in conjunction with the Adobe Connect Mobile App**, making the ability to hold meetings from anywhere more convenient than ever before. Forget entering log-in credentials or long meeting room URLs, with Connect Passport, one click and you're in.

Key Features:

- Access to User and Shared Meetings & Content
- Ability to mark meeting rooms as favorites
- View meeting participants
- Access multiple accounts from your device
- Email meeting room URL from Passport

www.connectpassport.com

Connect Passport is available FREE for your iOS or Android device.

An ad-free version is also available for \$1.99.

Note: To attend an Adobe Connect meeting on your mobile device, you will need to download the free Adobe Connect Mobile app.
