Dear Ms Mason,

**FINRA Dispute Resolution Arbitration Number 12-01838**  
**Christopher Grabowski vs. TD Ameritrade, Inc.**

I am aware that TD Ameritrade have been ordered by the Finra Arbitration Panel to provide a certificate for 25,000 Bancorp International Group (BCIT) shares to Mr Christopher Grabowski.

The company is in contact with shareholders who hold BCIT share certificates with the correct active cusip number 05968X205.

Some of these shareholders would be prepared to provide you with the shares in certificate form thus enabling you to comply with the FINRA order.

This would be a private treaty transaction.

Please note that as of October 2012 all 05968X106 share certificates were cancelled.

Regards

Thomas Megas
