Praise for Greenland: The Thriller

“Original and harrowing.”

–*Cosmopolitan*

“This is a remarkable book that is fascinating, frightening, instructive and fun all at once.”

–*Inter-Ligère*

“Suspense is omnipresent from beginning to end. The story navigates between climate change, subsequent natural disasters, corporate rivalries, murder, espionage, mysteries and love. Besson progressively weaves a web that entraps the readers. Each page make you want to turn the following one quicker to find out what happens next.”
