### **San Ramon Marriott Celebrates Completion of \$2.5 Million Renovation** *Hotel in San Ramon updates lobby, creates Greatroom in revamped Bishop Grill restaurant*

**San Ramon, CA** – The [San Ramon Marriott](#) is ready to uncork \$2.5 million in renovations that have the natural beauty of California vineyards spilling into a great new lobby area.

Guests who have a taste for luxury will toast the complete transformation of the San Ramon hotel’s welcome center, which now provides plenty of comfortable and sophisticated places to meet, eat, work and socialize.

Visitors will see and feel a difference the second they step foot into the reimagined space, where welcome pods have replaced the traditional front desk allowing friendly and knowledgeable staff to provide one-on-one attention. More private seating areas are complemented by rich, vibrant artwork and new contemporary lighting.

A palette of warm and inviting earth tones combined with rich textures and dark woods set the mood in the San Ramon hotel’s revamped [Bishop Grill](#) adjacent to the lobby. The restaurant and lounge areas embrace a Greatroom with a day and night bar, cocktail cubbies and communal tables surrounded by six strategically placed flat-screen TVs showing news, sports and entertainment programming. The restaurant also features new, flexible spaces with direct access to outdoor patios, ideal for larger parties or special occasions.

“The Greatroom concept has proven tremendously successful with our hotel guests who seek a comfortable, wired place to work or relax outside of their rooms as well as for locals who want a place to hang out, conduct interviews, meet friends and enjoy casual fare,” said Tom David, general manager of one of the premier San Ramon, CA, hotels.

Bishop Grill serves breakfast, lunch and dinner and boasts a contemporary American menu with California influences. Seafood, steaks, burgers and salads are among items prepared with the freshest local ingredients from the San Ramon Farmers’ Market. The eatery also features microbrews and draft beers from the nearby Schubros Brewery as well as a plethora of wines from local producers. A friendly and prompt bartender also can concoct special cocktails.

The San Ramon hotel wines and dines its guests in style before they retire to one of [362 well-appointed rooms or six luxury suites](#) on six floors. Down comforters, custom duvets, cotton-rich linens and plenty of fluffy down and feather pillows top king or double pillow-top mattresses to ensure a comfortable night’s slumber, while 25-inch flat-screen TVs with premium movie channels and high-speed Internet access provide the perfect opportunities to relax.
