

# YOU'RE INVITED

## 3rd Annual Aesthetic Laser Dinner Symposium

Please join us for our 3rd Annual Aesthetic Laser Dinner Symposium. Leading physicians gather to discuss their experiences and challenges in the laser aesthetic industry. They will share their clinical experience with cutting edge Fractional RF technology, the latest in hair removal, treating Melasma and the use of CO<sub>2</sub> lasers beyond traditional applications. There will also be a round table panel discussion about the multi-use Spectra.

### WHEN

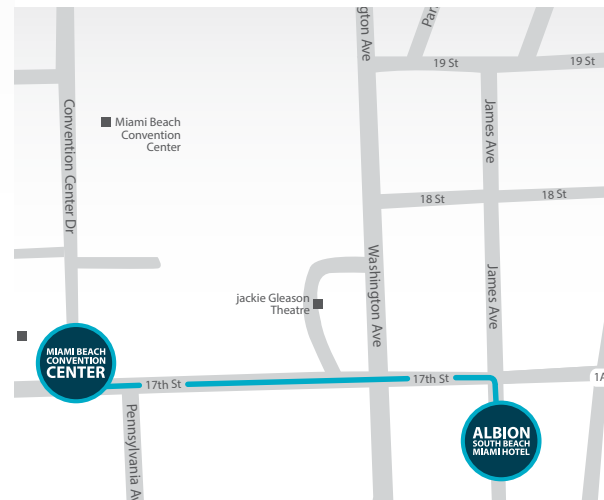

**Saturday, March 2, 2013**  
**7:15 PM - 9:30 PM**

### AGENDA

- 7:15 – 7:30 Arrivals & Appetizers
- 7:30 – 7:40 Welcome & Speaker Introductions  
Dinner Service
- 7:40 – 8:00 Dr. Ivan Perez  
Cutting-edge Fractional RF Applications: INFINI\*
- 8:00 – 8:20 Dr. Melanie D. Palm  
ADVANTAGE Laser Diode System:  
Optimized Laser Hair Removal
- 8:20 – 8:30 Dr. Melanie D. Palm  
Laser Toning: New Paradigm Shift for Melasma  
Treatment with Q-switched Laser
- 8:30 – 8:50 Panel of Experts Discuss SPECTRA's  
Broad Range of Applications  
Dr. Palm  
Dr. Perez  
Dr. Shah  
Moderator: Dr. B. L. Goo
- 8:50 – 9:10 Dr. Omar Ibrahim  
eCO<sup>2</sup>: Beyond Traditional Applications
- 9:10 – 9:30 Q&A & Wrap-up

### LOCATION

**Albion South Beach Hotel**  
Verandah Room  
1650 James Ave, Miami Beach, FL 33139
