

The logo for VAPamore is centered in the upper half of the page. It features the letters 'VAP' in a bold, red, sans-serif font. The 'V' and 'A' are connected, and the 'P' has a distinctive shape. To the right of 'VAP' is the word 'amore' in a red, cursive script font. Below the logo, the text 'QUALITY STEAM CLEANING PRODUCTS' is written in a black, all-caps, sans-serif font. The background of the entire page is a close-up, slightly blurred image of white steam rising from a dark surface, with a solid red vertical bar on the left side.

VAP *amore*[®]
QUALITY STEAM CLEANING PRODUCTS

Product Line

More of Everything... Except the Price.

Vapamore's flagship steam cleaner, the MR-1000 Forza Commercial Steam Cleaning System. The Forza is the pinnacle in commercial grade, professional steam cleaners. With over two years in development, the engineers at Vapamore set out to create the absolute best steam cleaner available. Performance, durability, and value were top priority when developing the Forza.

MR-1000 Forza features, commercial grade steel construction, continuous flow, computer controlled operation, Italian manufactured CEME® brand internal components, specially designed extra large stainless steel boiler with 1700 Watt heater, 90 psi steam output pressure, ETL certified, life time warranty and the largest selection of included accessories.

The **Only Hand Held** Wet/Dry Steam Vac...

The Vapamore MR-50 Steam Vac is the only portable wet / dry vacuum and steam cleaner combined into one easy to use tool. It's great for removing wet or set in pet stains and odor. It cleans spills instantly before stains set in. The steam function can be used to remove set in stains and spots from carpeting and upholstery.

The steaming function provides two operating modes, instant high temperature dry vapor steam for general cleaning, or the wet steam mode for set stains and spills. It can be used as a conventional portable wet / dry vacuum, without having to use a big and bulky shop vac.

MR-50

Wet / Dry Steam Vac
