

# 5-Speed Glass Jar Blender

## Everyone Loves a Good Crush

The tastiest blended concoctions are just seconds away with the Frigidaire Professional™ 5-Speed Glass Jar Blender. This sleek, stainless steel blender is so handsome it begs for countertop display. Design meets function with five speed controls for perfectly blended smooth drinks, creamy soups, icy summer delights and more.

## Features:

- **Perfect Seal Lid** seals and removes without a mess.
- **Easy-Pour Spout** pours contents quickly and effortlessly with no mess.
- **Fits-More™ Capacity** boasts a 56-ounce pitcher, perfect for blending drinks for one or an entire group.
- **Dishwasher-Safe, Performance-Design Glass Pitcher** features ribbed glass to ensure superior blending performance and makes cleaning simple.
- **Balance-Designed Stainless-Steel Blades** are powerful enough to handle tough-to-crush ice while maintaining smooth blending performance.
- **5 Speed Options and One-Touch Variable Speed Control** allows for easy selection of low, high, crush, smooth or pulse options.

**Finish:** Brushed Stainless-Steel  
**Availability:** Target and Best Buy  
**Price:** \$129.99
