

# 5-in-1 Grill and Griddle

## One Tool, Limitless Possibilities

Produce an array of delicious meals with just one appliance using the Frigidaire Professional™ 5-in-1 Grill and Griddle, featuring separate temperature controls for each plate so you can cook different items simultaneously. Whether using as a grill, griddle, or panini press, the stainless steel 5-in-1 Grill and Griddle offers a large surface area for maximum cooking space, turning the everyday cook into a gourmet short-order chef.

## Features:

- **Reversible, Removable Non-Stick Plates** create multiple cooking options from a grill press to a flat griddle, and remove to easily clean in the dishwasher.
- **5 SpaceWise™ Adjustable Height Selections** adjust grill from thick to thin for easy, even cooking.
- **Pro-Select™ Dual-Zone Controls** precisely control the temperature of each plate so you can cook two different foods at one time.
- **240 Square Inch Open Flat Surface** allows you to cook more food in less time.
