

## MEDIA RELEASE

### **Carson Dunlop Partners with Frederick Academy of Real Estate (FARE)**

Carson Dunlop Home Inspection Training program now offered by Frederick Academy of Real Estate (FARE) in Marriottsville, Maryland

Marriottsville, MD (March 20, 2013), Carson Dunlop and Frederick Academy of Real Estate in Maryland have formed a strategic partnership to offer a career home inspection training program. The comprehensive 80 hour certificate program is available through classroom learning. Content is delivered in a highly visual and easy to understand delivery format. The program is focused on practical applied technical knowledge, providing a solid foundation for success in the home inspection field.

“We are thrilled to be working in partnership with Frederick Academy of Real Estate in the State of Maryland” commented Alan Carson, President of Carson Dunlop. The ability to offer our program through reputable institution creates new opportunities for individuals looking to pursue a career in the home inspection field.”

“The partnership enhances Frederick Academy of Real Estate ability to offer students a quality and relevant pre-licensing course. The new course will broaden the variety of topics currently available at the academy. The Frederick Academy of Real Estate offers pre-licensing courses for real estate brokers and sales associates and continuing education courses for the professional real estate sales person and broker, as well as Sales Training Courses designed to jumpstart your career path to success.” said Walter Clews – Frederick Academy of Real Estate.

The education program leverages Carson Dunlop's 34 years as a leading consulting engineering firm in the home inspection field. Carson Dunlop have considerable experience on the education side of home inspection, including classroom teaching, published textbooks, online courses, conference presentations, webinars, papers and articles. The program uses a consistent methodology across various textbooks and illustrations. The focus is on practical applied knowledge rather than theoretical discussion. As part of the education program, Carson Dunlop provides students with free access to their [cloud-based report writing system, Horizon](#), to help them develop the necessary report writing skills.
