Vibrant metallic  
silver

**Marbs**  
Rich metallic  
gold

**Bit Faker**  
Full coverage  
chocolate glitter

Make your getaway with the Summer 2013 Collection by butter LONDON. This season is about being inspired by raw cultural elements and gilded textures. Mix and match prints and revel in fabrics that are foiled, embossed, and authentic.

Sultry metallics in platinum, gold, and rust evoke luxury, while crushed glitter in rich shades of copper and umber are offset by an accent of African turquoise.

**INTEGRAL SENSE BRANDS**
