

# BREAKING THE VEIL OF SILENCE

JOBST BITTNER

The Veil of Silence concerns you more than you think. You come across it at every turn, whether in your personal life, in your family, in your church or congregation, or in your cities and nations. The Veil of Silence is the reason for inner coldness, loneliness, and the sense of being lost in darkness. Once you break it, you will be able to receive the immeasurable blessing of God and the authority to change your surroundings with His love.

Every nation carries its own burden of guilt and trauma that is passed down through the generations, while a Veil of Silence prevents reconciliation, healing, and restoration.

The German pastor, theologian, and activist, Jobst Bittner, writes in the light of the experience of German history. Hitler and the Holocaust caused a spiritual eclipse in Germany and covered entire generations with a Veil of Silence. Today, Germany is blessed and the country of „unmerited grace“. If Breaking the Veil of Silence was possible in Germany, how much more so in your life, family, and nation?

Through a captivating blend of history, theology, and psychology, Jobst Bittner provides a brave, discerning perspective on this Veil of Silence and proves that the weight of history can be lifted. It is a powerful and practical intervention and spiritual guide to reclaim our authority by uprooting all destructive tendencies of covering up the past, uncovering our own family history, rediscovering the Jewish roots of our faith, and moving forward into action.

Once the veil is lifted, true healing, restoration, and change can begin.

## About the Author:

Pastor Jobst Bittner has an M.A. in Theology, and together with his wife Charlotte he founded ministries all over the world. He is president of TOS Ministries and initiator of the international March of Life movement, which has taken place in more than 80 cities in 12 countries. One of the spin-offs is the March of Remembrance in more than 50 cities in the U.S. Next to this apostolic pioneer ministry, Jobst Bittner ministers as a conference speaker on five continents.

# BREAKING THE VEIL OF SILENCE

JOBST BITTNER

## Statements

"Breaking the Veil Silence is an instrument of God to awaken believers to the task at hand, the task of boldly speaking the truth. Read this book and become equipped to be a bold warrior for righteousness."

*Raleigh B. Washington, MDIV, DD, President/CEO of Promise Keepers*

"Jobst and Charlotte Bittner pastor TOS Ministries in Tuebingen, Germany with such vision and anointing that all of Europe is beginning to take notice! Read these words carefully and prayerfully; I believe Dietrich Bonhoeffer would be pleased to call Jobst Bittner a friend."

*Paul Wilbur, Recording Artist*

"As the son of Holocaust survivors it is a distinct honor to recommend Pastor Jobst Bittner's book Breaking the Veil of Silence. This is more than an amazing, 'must read' book; Jobst, his family and his church are living letters who testify to the authenticity of every word written."

*Rabbi Marty Waldman, Baruch Hashem, Dallas TX*

In this book, Jobst gives a clarion call for the Church to stand like Esther to not remain silent. May the message of this book go far and wide throughout the whole earth. It is a must for anyone who needs strengthening to break through the darkness and not remain silent.

*Tom Hess, Mount of Olives, Jerusalem House of Prayer for All Nations*

"Few men have done so much, with so little, in so short an amount of time, as has Pastor Jobst Bittner. His ideas are a challenge to anyone who claims biblical virtue, rooted as they are in biblical text and not just in the soil of his own earthly experience. I know the man and the message and am pleased to commend both."

*Professor Jeffrey L. Seif, University Distinguished Professor of Bible and Jewish Studies, Kings University*

"Hear how a city known for anti-Semitism is leading the world in breaking the silence of indifference today! This is one of the most important books of our time."

*Ted Pearce, Musician*

"A call to dig deeper and to move forward into wholeness, freedom, and life."

*Dr. Michael L. Brown*

"The writing of this book was an act of conviction and courage. It was, I believe, 'high time' for such a book to appear. It is only in this way and in no other way that healing and health can be restored. I am deeply grateful to our Lord for inspiring Jobst Bittner to write this book. It has already brought forth much fruit for God's people and Kingdom. May the message spread and may the Lord be able to accomplish all that is in His great heart through this book and the ministry of TOS that He desires!"
