

Sino Language Gateway 華語之橋

SLG was established in 2003 to promote cultural and educational exchange for young people between China and the rest of the world. Two of our most reputed programs - [Chinese language & culture immersion summer camp](#), [Leadership & Community Service Program](#), have attracted thousands of students from +25 countries around the world. Focusing on offering top notch education and a fun experience, our summer camp helps worldwide teenagers quickly integrate into Chinese culture, learn the Chinese language and put to practice the skills they wish to or have already acquired in one of the world's largest economy.

Rainbow Bridge International Exchange Program

彩虹橋國際教育交流項目

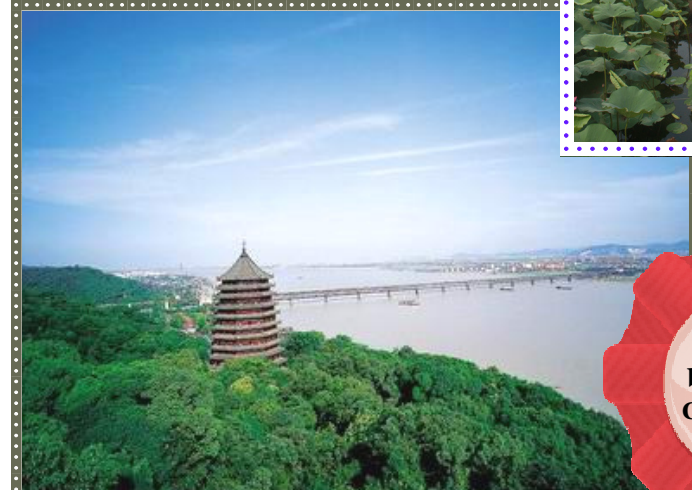

Rainbow Bridge Program is a non-profit international education & culture exchange program supported by Chinese government and schools. It is committed to help high school students around the world to learn Chinese Language and Culture in China. It's initiated by Shanghai Tangfeng Educational (TFE) and partnered with the High School Affiliated to Shanghai Jiao Tong University (Jiao Da Fu Zhong). Both organizations have abundant experience in providing students with high quality education and great life support.

The mission of China Rainbow Bridge Program is to increase young people's understanding of the world, gain more knowledge, and prepare for the future.
