Fans

- Sunon

Frequency Control Products

- ECS

ABOUT PSC

PSC Electronics is an authorized stocking distributor of magnetic, interconnect, electro-mechanical, and passive components.

Founded in 1985, PSC now has three sales offices and two warehouses serving the U.S. Although we have the resources to serve the largest O.E.M.'s and sub-contractors in the world, we are small enough to provide individual service tailored to each of our customers' unique business requirements. Custom cable assembly, P.C. Card assembly, kitting, bar code labeling and EDI are just some of the **value added services** we offer. **Our Value Added Cable Manufacturing Division** was started in 1997 to guarantee the **"Proto to Production Solution"** for all your custom cabling needs!

All PSC Electronics sales locations are staffed by **experienced sales and marketing professionals** linked by a real time computer system. Continuous improvement and skill building is achieved through regular training by factory representatives and outside consultants. All orders PSC Electronics receives before 4:00 p.m. Pacific time are **shipped the same day**. In addition, we offer same day delivery service in the Silicon Valley, and San Diego Areas.

Bay Area - PSC Electronics (800) 654-1518
2307 Calle Del Mundo (408) 737-1333
Santa Clara, CA 95054 (408) 330-0619

SoCal - PSC Electronics (888) 693-1595
7072 Convoy Court (858) 503-7766
San Diego, CA 92111 (858) 503-7772

Northwest - PSC Electronics (800) 654-1518
4400 NE 77th Avenue, Suite 275 (360) 735-1010
Vancouver, WA 98662 (360) 735-1020
