

"Born To America!"
Neil H. Brandt

Below are the words to this powerful song. Go to [YouTube](#) and hear it performed with a wonderful video collage of America's historic icons and display of the nations advanced defensive technology. Share this with friends.

**Born To America - Our country's destiny
To unify our world so everyone is free!**

**Born To America - Greatest nation known
Proud to say the U.S.A. is our home!**

The United States of America!

**Born To America - We're living history
Creating a New Order over land and over sea**

**Born To America - Our destiny so high
Bring world peace upon our earth,
Our oceans and our sky!**

The United States of America!
