

Emergency & Survival Kits

Zombie Emergency Defense System

This is a Bren-mil Army Navy exclusive. This kit is designed to keep you alive during the Zombie Apocalypse. Everything has been fully thought out. This pack is not military styled it is military gear used by troops in the field, the knife is a full tang knife based on the U.S Special Forces MACSOG knife, and the entrenching tool has a hollow handle so you can fill it with candy or other survival essentials. so whether you are concerned with the coming zombie apocalypse, nuclear winter, meteor strike, or just a really bad storm, this is the kit for you! It is also the perfect gift for a college student or anyone else who thinks that zombies are cool.

The kit includes the following:

- Zombie Area Warning Sign -- This is a must have item for any Zombie kit. It is made out of heavy gauge aluminum and perfect for marking the outer boundaries of the zombie infested area. It also looks great on a dorm or bedroom door and is proven to keep out little brothers, sisters, and unwanted dorm managers.

Food and Water:

- 3 Boxes of Aqua Blox Water Boxes
- 1 Military Meal Ready to Eat (MRE)
