Heat Seal Labels for Tagless Performance

Private label heat seal transfers are a great option for customizing our tagless performance garments. Now you can promote your brand without losing the comfort benefit of tagless labeling. After a minimum label purchase of just 300 pieces, we only require a 12-piece minimum to apply labels.

Woven Labels

Our jackets, woven shirts and basic pique polos can be private-labeled with your brand. Minimum order is 300 labels, which can be applied in smaller batches, just 12 pieces at a time. Customers may also provide their own labels to be sewn in.

Ask your sales representative for pricing and lead times.
