Los Angeles Airport Marriott offers special day mom will always remember

Surf lesson and delicious meal combine for wonderful gift as part of LAX hotel deal

Los Angeles, CA – Want to give mom a present she'll never forget? Now is a great time to surprise her with a unique Mother's Day offer from the [Los Angeles Airport Marriott](#).

Forget boring flowers. Now travelers to Los Angeles can have any wonderful mother in their life sink their teeth into [The Jaws Package](#). The package starts with adventure – surf lessons for mom. How memorable will the trip to California be when she gets a private surfing lesson from a professional instructor?

After a fun day at the beach, mom will be ready for the other half of the deal – a fabulous lunch or dinner which includes lobster and lava cake.

The meal includes warm spinach salad or lobster bisque to start, followed by the main course of filet and lobster tail, garlic mashed potatoes and market vegetables. For dessert, guests can enjoy warm chocolate lava cake, vanilla ice cream and Chambord and berries.

Visitors who want to continue their day in the area have many options. The hotel is near Manhattan Beach as well as the Los Angeles airport, so it's close to many different attractions.

Not only is the 928-foot-long Manhattan Beach pier a great way to enjoy the water, but there is also upscale shopping, including an Apple Store and Tommy Bahama, at the Manhattan Village. More sun and shopping can be found in Santa Monica and Venice Beach or guests can see the Walk of Fame at Hollywood and Vine.

This LAX hotel deal is also terrific because of two great features of the hotel, the accommodations and tropical resort-style pool. The [guest rooms](#) offer comfortable Marriott bedding for a great sleep. Travelers can use the At Your Service team, which can expedite requests. Upgraded amenities include concierge, valet and dry cleaning. High-speed Internet access is available wirelessly in public areas and guest rooms.

Visitors can also relax in style in poolside lounge chairs or build up an appetite during a refreshing swim in the heated waters of the outdoor pool. The LAX hotel has several dining options, including Starbucks, Champions Sports Bar, Latitude 33 and JW's Steakhouse, which features an extensive wine list.
