SETH PRICE AND DAVID BENOWITZ RECENTLY NAMED SUPERLAWYERS BY PEERS

*Founding Partners of Price Benowitz, LLP were selected and named
SUPER LAWYERS for 2013.*

Washington, DC, April 29, 2013– We are pleased to announce that founding partners of [Price Benowitz, LLP](#), [Seth Price](#) and [David Benowitz](#) have been selected and named [Super Lawyers](#) for 2013. Super Lawyers is a rating service of outstanding lawyers from more than 70 practice areas who have attained a high-degree of peer recognition and professional achievement. The selection process is multi-phased and includes independent research, peer nominations and peer evaluations.

“It is an absolute honor for me to be listed as a Super Lawyer for 2013. I am humbled to see my name next to some of the best attorneys in our area,” Mr. Price states about this honor. Sharing this honor Mr. Benowitz says “Being named a Super Lawyer is a great accolade to receive, and I appreciate the recognition. I work hard for each of my clients and I believe that this distinction is a reflection of my effort. There are a lot of excellent lawyers on this list and I am honored to be listed among them.”

Super Lawyers selects attorneys using a patented multiphase selection process. Peer nominations and evaluations are combined with third party research. Each candidate is evaluated on 12 indicators of peer recognition and professional achievement. Selections are made on an annual, state-by-state basis. Five percent of the total lawyers in the state are selected for inclusion in Super Lawyers. These winners are noted and the list is published annually in [Super Lawyers Magazine](#) and online.

The objective is to create a credible, comprehensive and diverse listing of outstanding attorneys that can be used as a resource for attorneys and consumers searching for legal counsel. Since Super Lawyers is intended to be used as an aid in selecting a

lawyer, we limit the lawyer ratings to those who can be hired and retained by the public, i.e., lawyers in private practice and Legal Aid attorneys.

The Super Lawyers patented selection process involves three basic steps: creation of the candidate pool; evaluation of candidates by the research department; and peer evaluation by practice area.
