

A Platform for On-the-go Learning

For Consumers
For Publishers
For Businesses

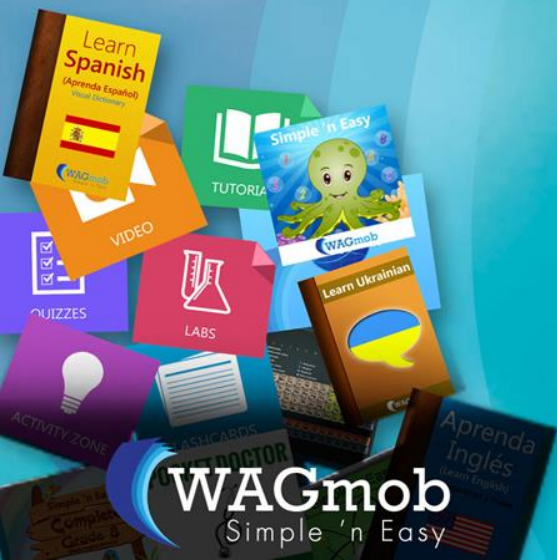

The platform runs on all in-market smartphones and tablets.

WAGmob
Simple 'n Easy

More than a million consumers have purchased a WAGmob app for on-the-go learning.

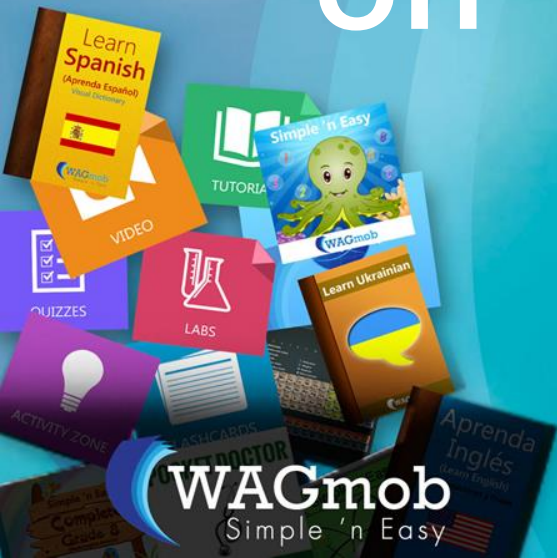

WAGmob
Simple 'n Easy

The platform breaks learning into bite sized chunks and offers each part as a “snack”.

The platform incorporate
7 elements to promote
on-the-go learning.

- **PRONOUN**
 - A Pronoun is used in place of a noun.
 - A pronoun has an antecedent:
A specific noun for which the pronoun is "filling in"
 - Refers to something already mentioned in another sentence or piece of text
 - Example:
James is a good boy. He runs every day.
- **SUBJECT PRONOUN**
 - Serves as the subject of the sentence:
 - I went to the store.
 - He walks to school every day.
- **RULES TO REMEMBER**
 - A pronoun must agree with the noun it refers to.
 - If the noun is singular, use a singular pronoun
 - If the noun is plural, use a plural pronoun
 - If the noun is feminine, use a feminine pronoun
 - If the noun is masculine, use a masculine pronoun
 - Example:
My plane was late; it had been delayed.
All planes were late. They had been delayed.
Tom sold his car because he didn't need it anymore.
The Smiths sold their car.
The car is losing its color.

☰ ⏪ VIDEOS

The interface displays four video thumbnails arranged in a 2x2 grid. Each thumbnail features a play button icon in the center and a title at the bottom. The top-left thumbnail shows four business professionals shaking hands, titled 'VERBS'. The top-right thumbnail shows the Eiffel Tower, titled 'NOUNS'. The bottom-left thumbnail shows a colorful clock face with a fish, titled 'TENSES'. The bottom-right thumbnail shows a man pointing at a whiteboard, titled 'ADJECTIVES'. Each video player includes a progress bar and volume control at the bottom.

5.Labs (Step by Step instructions)

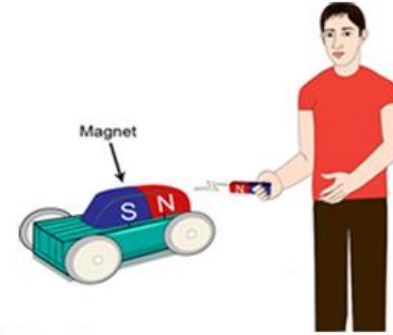

EXPERIMENT TO MAKE A MAGNETIC CAR

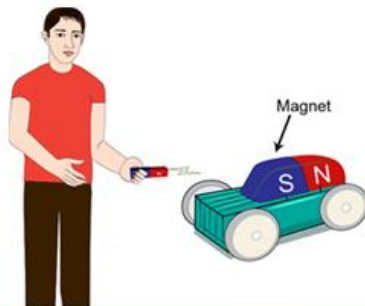

Step 1. Tape one of the bar magnets on the toy car in such a way that its north pole points to the back side and south pole points towards the front side of car.

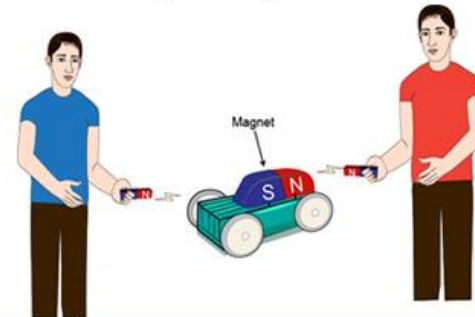

Step 2. Place the car on the floor. Take another magnet and hold it behind the car with its north pole facing the car and at some distance from it.

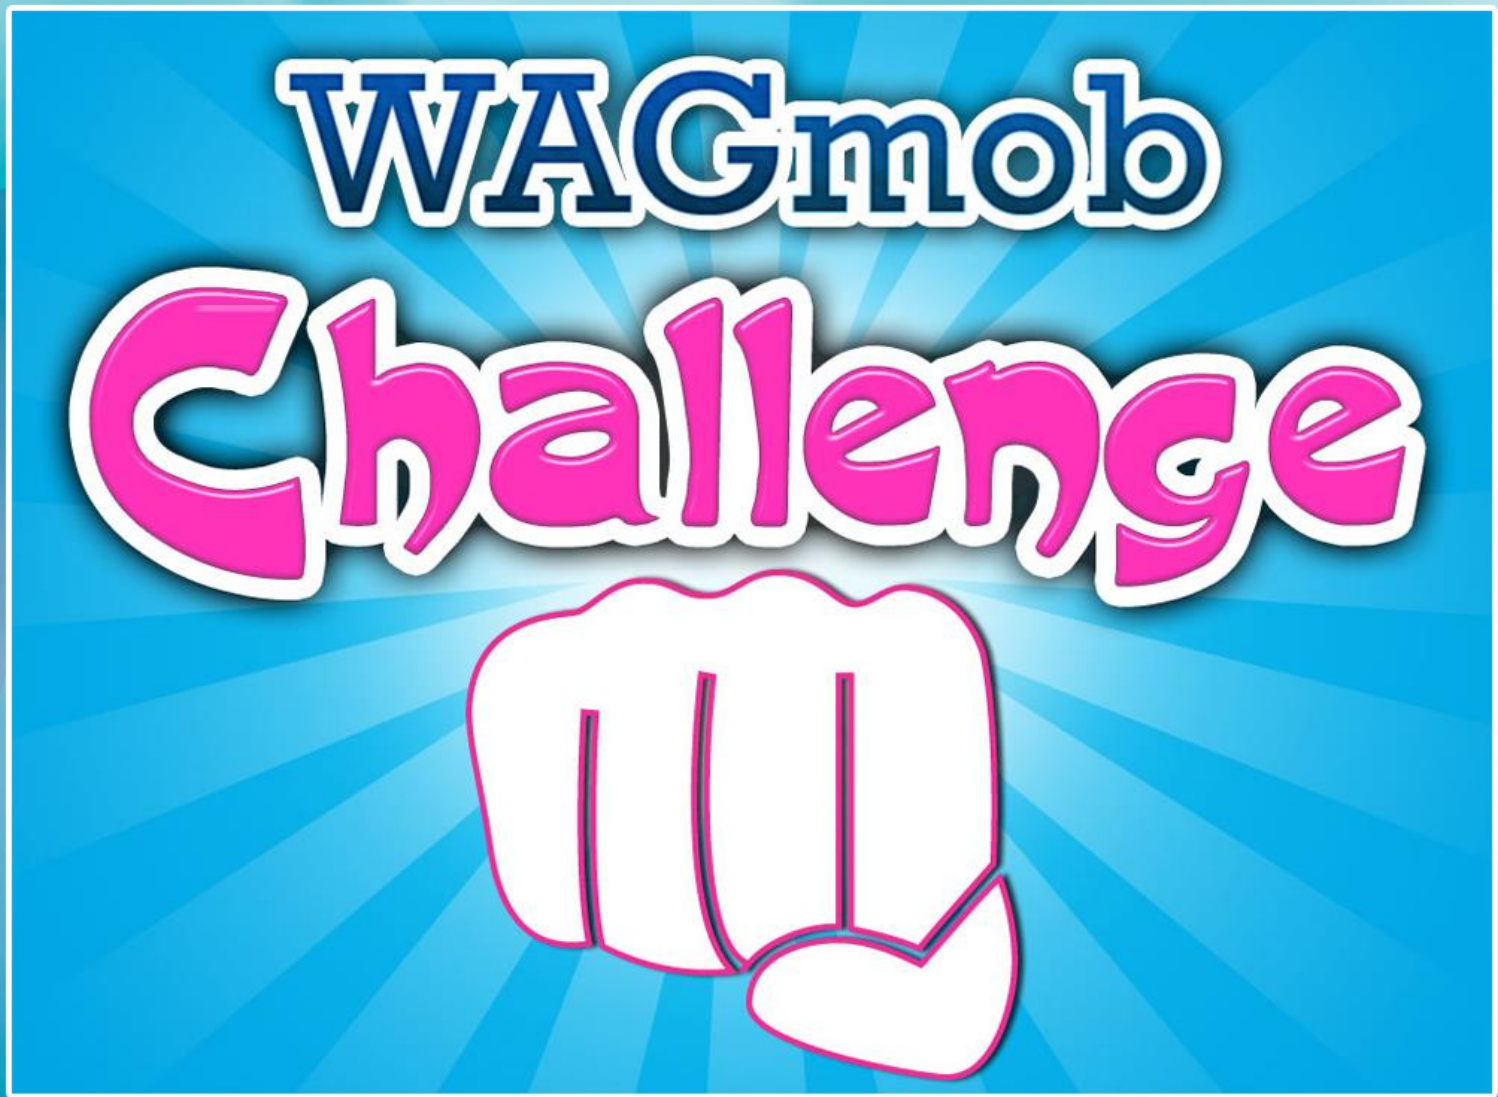

Step 3. Now, remove the magnet from behind the car. Take other magnet and hold it in front of the car at some distance from it in such a way that North Pole of magnet faces the car

Step 4. Now give one magnet to your friend and let him stand in front of the car, holding the magnet in his hands with its north pole facing the car.
