

From Tacos to Jarabe and From Margarita to Mariachi, Cinco de Mayo Ecards Feature Them All at 123Greetings.com

Jazz up the celebrations this year with spicy [Cinco de Mayo 2013](#) ecards which are deliciously topped with delightful music and animations

123Greetings.com, one of the most popular and foremost online greeting cards' website has recently announced the addition of new and exciting ecards to its '[Cinco de Mayo](#)' line-up. Cinco de Mayo is a day equally cherished and commemorated in Mexico and the United States of America. All the Cinco de Mayo ecards available on 123Greetings.com are animated and completely free to use.

Arvind Kajaria, Founder of 123Greetings.com expressed his utmost excitement over the newly added collection. Speaking of significance of sending cards on Cinco de Mayo, he said, "Cinco de Mayo is no longer just a celebration of glorious victory. It has become a celebration of the rich Mexican heritage and culture. Over the last 150 years, many traditions have become part of the celebration. Greeting cards have remained that part for a long time. Our ecards will ensure that this tradition carries on to the new digital era."

From color themes to music, everything about the [Cinco de Mayo ecards](#) reflects the beauty of Mexican culture. Each card is carefully designed to stay true to its purpose while presenting a pleasurable amount of excitement, humor, sentiments and expression. Demography was also kept under consideration. While there a number of general Cinco de Mayo greeting cards that almost anyone can send to anyone, there are also specific ones targeted towards friends, family or romantic partners, etc.

"No matter where you are in the world and no matter who you choose to enjoy the festival with, we believe that celebrations are nothing without expression. And the best thing about expressions is that they don't cost anything," Mr. Kajaria summed up the major idea of the website that allows millions of people to express and share their sentiments every year.

[About 123Greetings.com](#)
