FOR IMMEDIATE RELEASE

IPD Announces New Parts for Waukesha® VHP Series 7042 / 7044 Engines

Torrance, CA (May 8, 2013) - IPD, a leading aftermarket provider of engine components for heavy-duty engines, announces the launch of the following new replacement parts for Waukesha® VHP Series 7042/7044 engine applications:

- Cylinder Kits and Components (Piston Kits, Ring Sets, Liners, etc.)
- Cylinder Head Kits and Components (Valves, Guides, Seats, Springs, etc.)
- Engine Bearings & Bushings
- Gasket Sets

IPD continues to expand the IPD brand of high quality replacement parts for spark ignited engines applications. "IPD has a long and successful history manufacturing high quality engine parts for spark ignited engines, including for Waukesha applications," notes Egan Hernandez, Marketing Manager for IPD. "IPD is dedicated to providing high quality, reliable and cost effective service parts for heavy-duty engines, and these Waukesha® engine parts represent a significant service and savings opportunity for our customers."

For more information on IPD and these new products, please visit www.ipdparts.com. We may also be reached via email at sales@ipdparts.com.
