

Stunning, agency-level website design.

From \$19 per month.

All inclusive.

No contracts.

Based in San Diego, California, CreativeHaus is the product of a unique team of designers, programmers and customer-care specialists who provide web-design services from a very different angle: **It's all included.**

CreativeHaus takes care of your business' web design, hosting service and all site updates for the life of your site. There are no hidden fees, hourly charges or extravagant costs for making future site improvements, additional features or even a complete e-commerce platform.

CreativeHaus offers 5 unique plans starting at \$19 per month. Once you've selected the plan that fits your business needs, leave the rest to us. We will work to give your business a robust and dynamic web presence. Want to change the direction of your site's look-and-feel? Want to add, alter or increase images, descriptions or design elements? No problem. **It's all included.**

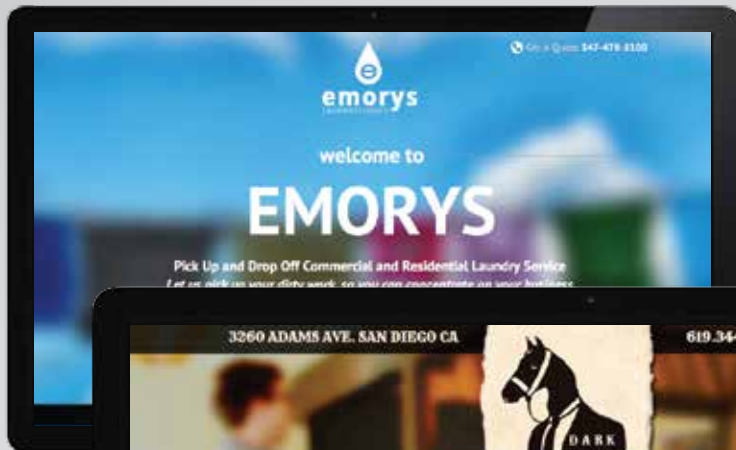

Our team is
creative,
strategic + fresh.

Beyond building beautiful websites, we also offer first-class customer support through our dedicated account managers.

Our work is
custom,
adaptable + rich.

Your website is the first “hello” to a potential customer. We make it special, vivid and informative.

All our plans include unlimited updates for the life of your site.

1 Let's talk.

Once you've signed up with CreativeHaus, your account manager will contact you to discuss your website goals.

2 Let the designing begin.

We'll get to work on your site. Once completed, we'll forward a mock-up to you for your final confirmation.

3 Programming + Optimization.

When everything has been confirmed, we'll begin programming your site. Throughout the programming phase, we will ensure that your site is fully optimized and search engine ready. We will also set up your social media and integrate this into your site.

4 A lifetime of support and updates, all included.

We're here to evolve with your business. As your website needs change, we will work with you to update your site as needed. It's all included.

Our plans are
**flexible, all-inclusive +
unmatched.**
