About the Independent Publisher Book Awards:

The "IPPY" Awards, launched in 1996, are designed to bring increased recognition to the deserving but often unsung titles published by independent authors and publishers. Since the inaugural contest over 4,500 books have received IPPY Awards, and all the recognition, credibility, and increased sales that a book award can bring. Independent spirit and expertise comes from publishers of all sizes and budgets, and books are judged with that in mind. The Awards are owned and operated by Jenkins Group, a publishing services company founded 1988 and located in Traverse City, Michigan.
