Terminal C

9:00 - 11:00 am

Friday, May 17, 2013

Join **MoMs USA** in giving wounded warriors a Texas size welcome as they make landfall on **Friday, May 17, 2013** at Houston's Intercontinental Airport. Meet there at **9:00am** at the baggage claim in **Terminal C** to help us celebrate the arrival of these brave soldiers.

After everyone arrives, our heroes will be escorted from the USO room for an emotional walk through very excited Texans cheering them on every step of the way, then onto waiting buses for an annual fishing event hosted by the Warrior's Weekend Organization at Port O'Connor, Texas.
