

Derek Potts named 2013 Top Rated Lawyer in Mass Torts

Potts Law founding partner, Derek Potts, has just been named to the 2013 Top rated Lawyers in Mass Torts

Kansas City, Missouri (May 9, 2013): Derek Potts, founding partner of [Potts Law Firm, LLP](#), has been named among the 2013 Top Rated Lawyers in Mass Torts by [American Lawyer Media](#) and [Martindale- Hubbell](#). In addition he has achieved the [AV Preeminent Peer Review Rating](#), which is the highest rating available to lawyers for legal ability and professional ethics.

Since founding the Potts Law Firm in 2002, Derek Potts has risen through the ranks to become one of the top mass tort and complex litigators in the United States. With offices located in Kansas City, Houston, Little Rock and Albuquerque, The Potts Law Firm handles and leads mass tort litigations around the country including being Plaintiffs' Liaison Counsel/Co Lead Counsel of the Mentor OB Tape MDL located in Columbus, Georgia, Plaintiffs' Co Lead Counsel of the Bard Pelvic Mesh MDL located in Charleston, West Virginia, and member of the Plaintiffs' Steering Committee for the Kugel Mesh MDL located in Providence, Rhode Island.

The Firm is also a pioneer in environmental litigation, currently representing several consolidated actions of homeowners affected by the environmental destruction caused by Concentrated Animal Feeding Operations (CAFOs) in New Mexico.

About Potts Law:

Founded in 2002 by Derek Potts, [The Potts Law Firm](#) is committed to aggressively representing those who have been wronged by the [negligence](#), misconduct, or fraud of others from coast to coast.

The firm is composed of outstanding trial attorneys with decades of trial experience which they put to use for every client of the firm. Since most clients which they represent have complex injuries and legal problems, they strive to provide a team approach to every case with multiple lawyers and staff members focused on each case.
