# Irvine Marriott Introduces Two Deals To Save Meeting Planners Money

*Hotel in Irvine, CA, offers groups extra Marriott Rewards points, discounts on audio and visual equipment, spacious rooms*

**Irvine, CA** – Whether looking for a venue for the social event of the year or a sophisticated meeting destination for the big corporate conference, the [Irving Marriott](#) has become a popular destination for groups of all sizes.

Groups that have meetings or events coming up over the next few months can take advantage of two special deals.

The first offer creates [Super Value Dates](#) that greatly benefit groups for meetings and events. These dates, which start at the end of May, offer special amenities including complimentary guest room Internet, Marriott Rewards points, discounts on audio and visual equipment rentals and rebates. The more Irvine meeting rooms that groups reserve, the more amenities they can enjoy.

Perks include:

- 50 to 100 room nights contracted: Complimentary guest room Internet, triple Marriott Rewards points (up to a maximum of 150,000 points).
- 101 to 200 room nights contracted: Complimentary guest room Internet, triple Marriott Rewards points (up to a maximum of 150,000 points), 10 percent discount on in-house audio and visual pricing.
- 201-plus room nights contracted: Complimentary guest room Internet, triple Marriott Rewards points (up to a maximum of 150,000 points), 10 percent discount on in-house audio and visual pricing and 5 percent rebate to the master account.

The Super Value Dates are May 28-31, June 17-27, July 1-11, Aug. 18-22, Sept. 2-5, Sept. 15-20, and Oct. 27-31. Irvine events and meetings must take place during those dates in order to take advantage of this value.

For groups unable to take advantage of the [Irvine meeting rooms](#) during those dates, a second offer from the Irvine hotel is available. Groups can reserve the Value Meetings Offer, which includes:

- One complimentary room night for every 35 paid room nights accumulated during event dates.
- One complimentary suite upgrade over the official event dates.
- Triple Marriott Rewards points (up to a maximum of 150,000 points).
- 10 percent discount on current banquet menu pricing or in-house audio and visual equipment

This Irvine hotel deal allows groups to create their value dates. Meetings must be booked by Sept. 30, 2013, and actualized by Dec. 30, 2014.

Regardless of which deal groups choose, they are sure to find the Irvine meeting rooms accommodating and well-appointed for any need. The Marriott hotel offers [27,000 square feet of flexible meeting and event space](#) across 25 distinct rooms. The largest of these spaces, the Grand Ballroom, can accommodate 2,000 guests comfortably.

Each space is well-appointed and offers a sophisticated atmosphere perfect for wedding receptions, formal business meetings and everything in between. A dedicated event staff helps groups with whatever they may need from pre-planning stages to the day of the event. Groups can also create customized event menus to keep everyone well-fed throughout the meeting or event.

With a convenient location near John Wayne Airport and exceptional meeting and event rooms, the Irvine Marriott is the perfect venue for groups of all sizes. Reserve either of the deals by calling 1-949-553-0100 or visiting [www.IrvineMarriott.com](http://www.IrvineMarriott.com).
