Why wait for  
the customers  
to come to you  
when you can  
go to them

## 305 Broadcast Tour

Our tour is a great and new way to promote and sell your products, taking them directly to customers and establishing new contacts and connections.

In the past the 305 Broadcast Tour visited a group of countries, which included Panama, Costa Rica, Honduras, Guatemala, Nicaragua, El Salvador, Venezuela, Peru, Paraguay, Bolivia and Dominican Republic.

This year, we decided to focus on fewer markets, in order to maximize the Return of Investment of each event. Our carefully selected venues include Mexico, Peru, Chile, Venezuela, Colombia and Dominican Republic.

Our vendors are our best reference, feel free to contact them and ask to hear their experience.

“The 305 Broadcast Tour is born out of the desire of providing consumers with a way of interacting directly with the latest equipment in their own countries, while keeping affordable prices for exhibitors.”
