FOR IMMEDIATE RELEASE

Graphic Communications, Inc. Introduces Enhanced Website for their Custom Label Printing and Flexible Packaging Capabilities

Graphic Communications, Inc., a provider of comprehensive custom pressure sensitive label printing and flexible packaging services located in Warminster, PA, proudly announces the launch of an enhanced website (www.graphiccommunications.us) with detailed service information, testimonials and enhanced functionality.

Warminster, PA (PRWeb)—May 14, 2013 - Graphic Communications, Inc. (GCI), a full service custom label and [flexible packaging printer](#), has launched an enhanced website providing detailed service information, client testimonials, an enhanced design and improved functionality.

Detailed service and capability information is provided on the many services GCI offers, including flexographic and [digital printing](#), flexible packaging, inventory management and art design among others.

Client testimonials highlight the effectiveness of GCI's services for their many clients in the food, health & beauty, chemical, medical and nutraceutical markets. GCI believes in a multi-service approach to provide clients with a one-stop resource for all their label printing requirements.

"The new website", according to the President, Loretta Lawler Andrews, "gives us a better platform to assist our clients, provide detailed service information to prospects and the ability to respond quickly and effectively to the ever changing label printing marketplace."

In addition, the new website's enhanced design and functionality allows clients and prospects to find what they are looking for quicker and gives GCI the ability to respond more effectively to their needs. For example, the new Need Help Now form is a quick/easy way to connect with GCI and especially beneficial for emergency or short time frame projects.

Please contact us at 1-800-441-5335 or visit the new site to find out more about our [label printing services](#).
