Register for Qualifying Events at [www.CraneOperatorRodeo.com](http://www.CraneOperatorRodeo.com)

## Objectives

- ▶ **Underscore the need for safe crane operation, which can only be achieved through training and experience.**
- ▶ **Increase awareness of the 2014 OSHA requirements for crane operators to be certified by type and capacity.**
- ▶ **Raise the stature and visibility of crane operation as a profession.**
- ▶ **Recognize operators for achieving the skills required to be successful.**
- ▶ **Provide positive publicity for the crane and rigging industry.**
