The Benelux Venture 45

Utilizing a great network of partners such as *iMinds, Capricorn Venture Partners, KU Leuven LRD & imec*, who nominated startup teams and growing companies from their network, the organizers have encouraged more than a hundred companies to apply for a chance to present at the 2013 Benelux Venture Forum. With each of the 100+ companies having had their profiles reviewed; the BVF selection team took effort to identify the 45 to come pitch their business proposals at the Forum.
