## How Can NASBP Accreditation Help Your Small Business **Grow**?

We help you build a foundation of **TRUST**.

No one will ever buy from a company they do not trust! That's why building up trust in the minds of your potential buyers is essential for helping your small business grow more sales. NASBP accreditation helps you build that trust -- and it's included absolutely free with your *Premier Certified Membership*.

Here's what NASBP Accreditation offers your business:

★ An online listing profile on the **National Association of Small Business Professionals**' main site, which promotes your company as a trusted and reliable business serving the community.

Your online listing is publicly accessible on the world wide web 24/7. It provides a “do-follow” link back to your web site, helping search engines find you online.

★ A selection of over 18 NASBP Accredited Business Trust Seals and membership badges to use on your website, letterhead, business cards, brochures and in your advertising.

Displaying the NASBP Accredited Business Seals tells potential customers that your business is trustworthy and reliable.

★ A TRUE BLUE RATING's score, giving potential customers even more information about your company's commitment to professionalism, integrity and customer service excellence.

Get your business NASBP Accredited today from just \$12.95 a month.
