

DO IT!

It's time for the 5th annual Pretzel Coaster Contest!

Use your math, science, and artistic skills for a chance to WIN a 4-day vacation for you and your family!

Glue Snyder's of Hanover Pretzels together to design and create a roller coaster using your imagination.

*Remember, you can use only pretzels and glue or hot glue but you can temporarily use sticks, tape, etc. to hold pieces while they are drying – just don't forget to remove them. Your pretzel coaster must fit on a 6' x 4' board.

CHECK THIS PRETZEL COASTER OUT!
