Courtyard Spokane Downtown at the Convention Center Finishes Room Renovations

Spokane hotel invites guests to get a better night's sleep and enjoy the comforts of renovated accommodations, which were completed at the end of March

Spokane, WA – The <u>Courtyard Spokane Downtown at the Convention Center</u> is counting new features like its guests are counting sheep. The Spokane hotel has announced the completion of a project that refreshed its accommodations, which now boast comfortable furniture, new décor and improved bathrooms.

The new guest rooms at this hotel in downtown Spokane mark the second phase of renovations. The hotel earlier upgraded its lobby area, offering the new Bistro — Eat. Drink. Connect. and 24/7 Market;

additional seating including private media pods and communal tables; and high-tech features such as a GoBoard and improved wireless Internet access. Now guests can also enjoy the same comforts they find in the lobby area when they retire to their guest rooms at this <a href="https://hotel.near.the.com/hotel.near.the

Every aspect of the guest rooms was considered, from the décor to the amenities. New carpet and accent wallpaper give the living spaces elegance and warmth to make guests feel at home. The new color scheme ties together perfectly with the upgraded beds and linens, which not only look stylish but feel

great and help guests find sleep faster. New window treatments allows visitors to let in just the right amount of light, helping early birds rise faster while letting those who prefer to sleep in just a few more restful minutes. Those who have brought business or seek a place to do some reading can sink into comfortable ergonomic chairs and take advantage of improved lighting courtesy of new lamps.

Outside of the living spaces, the guest rooms' bathrooms at this <u>downtown Spokane hotel</u> also received welcomed renovations. Guests can now get ready for the day in stylish spaces that feature new bath tiles and upgraded décor. In addition to looking better, bathrooms now feature shampoos, shower gels, and conditioners by famed stylist Paul Mitchell.

Improvements to the guest rooms extend to the hallways and stairwells, where fresh wallpaper, carpeting and lighting illuminate and add a pop of color to these spaces.

Travelers interested in experiencing the improved guest rooms at this downtown Spokane, Washington hotel should book a stay today. For more information, visit www.marriott.com/GEGCH
