*“Missy has been a tremendous inspiration to many who face some of the more difficult challenges life presents. Whether or not that describes your current situation, I encourage you to read **Run to Win**. You’ll be glad you did.”*

**–Bob Griese**

Hall of Fame quarterback  
of the 1972 undefeated Miami Dolphins

*“**Run to Win** is such a well-written book – and I won’t just say that about any book. The way Todd tells the story of the adoption of their three children from Ukraine is simply delightful.”*

**–Dr. Walter Barbe**

Former editor in chief  
*Highlights for Children* magazine

*“Yes, it’s a story of hope...yes, it’s inspiring...but **Run to Win** is much more. It’s a refreshingly honest account of how this couple wrestled with their faith when faced with some of the toughest challenges life has to offer.”*

**–Arlene DeBardelaben**

Athletes in Action staff member and chaplain of  
Miami Heat and University of Miami

*“To believe is to be strong. I experienced this twice in the year 1983 – the ‘Canes winning the national title, and seeing Missy fight her battle with cancer. If you want an example of courage and strength in facing adversity and standing firm in your beliefs, read **Run to Win**.”*

**–Howard Schnellenberger**

Coach of the 1983 national champion Miami Hurricanes

*“An amazing story of faith and courage, and a lesson for us all to hopefully learn that we can overcome any obstacle in life. **Run to Win** is sure to be a bestseller and will inspire many.”*

**–H.K. Gilbert**

Children’s book author and creator of the  
*Barkley Secret Service Dog* children’s book series

*“The thing about Missy is never one time did I hear her complain about things being unfair. I never heard her saying the doctor screwed her over, or God screwed her over. She always dealt with her challenges as a temporary problem.”*
