One king or two double beds topped with custom comforters, cotton-rich linens and plenty fluffy pillows will summon the sore-footed and weary and provide a sound night's sleep. Guests who need a little extra time to unwind before bed can sit in comfy chairs and watch their favorite news, sports and entertainment programming on 26-inch flat-screen TVs while sipping on cold drinks they stored in the mini-refrigerators. In-room coffeemakers are good incentives for waking up excited guests ready to head back for a new adventure at another theme park.

The Walt Disney World Good Neighbor® Hotel is only 1 mile from the Walt Disney World® Resort and close to Universal Studios® and SeaWorld®, so visitors can hop on a complimentary shuttle and get to the theme parks as quickly as possible to start enjoying the fun.
