"Do you hear that sound? After finding out how great Caseload Manager is, that is me throwing my former case management system in the trash!"

Susan Elia, Mediation Assistant The Dispute Resolution Institute, Philadelphia, PA "The best part of Caseload Manager is that it is continuously improving. We have complete control to make changes as our office and habits change. We can add fields, delete fields and create templates. Caseload Manager helps us easily track the information we need."

> Jay Wilson, Family Mediation Specialist Concord Center, Omaha, NE

"The Caseload Manager program saves us time by providing real-time case management. No matter where mediators are working, we can track our cases, our mediators, and the related documents easier with this than any other system out there."

Brian Graunke, Director of Mediation Services Mediation Works, Medford, OR
