

New Features!

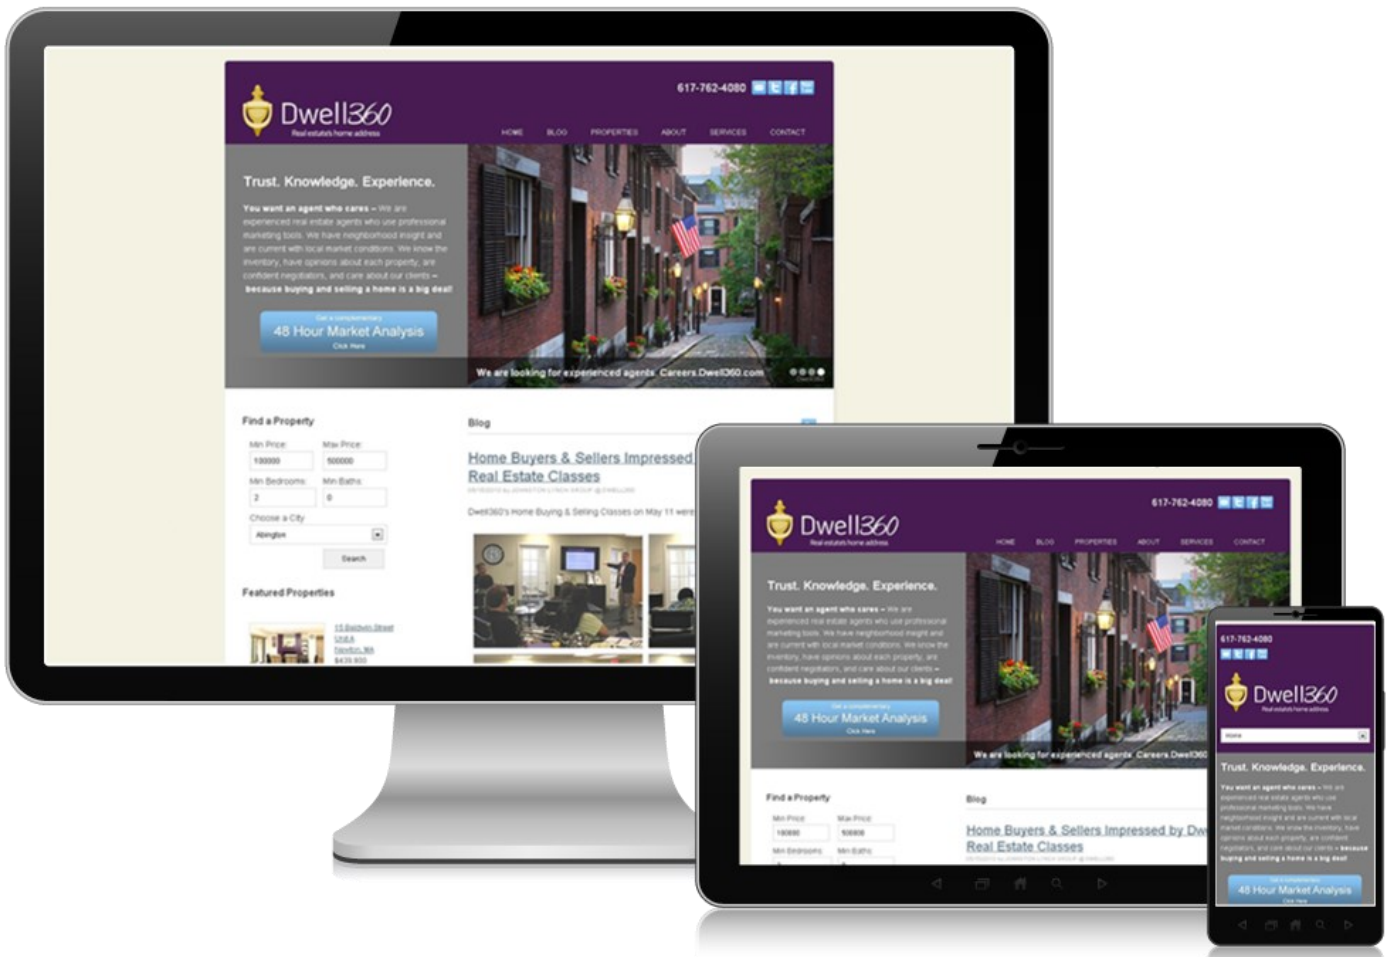

DwellAgent

Due to customer feedback, DwellAgent is excited to announce the launch of our newly improved website publishing platform!

Responsive Design

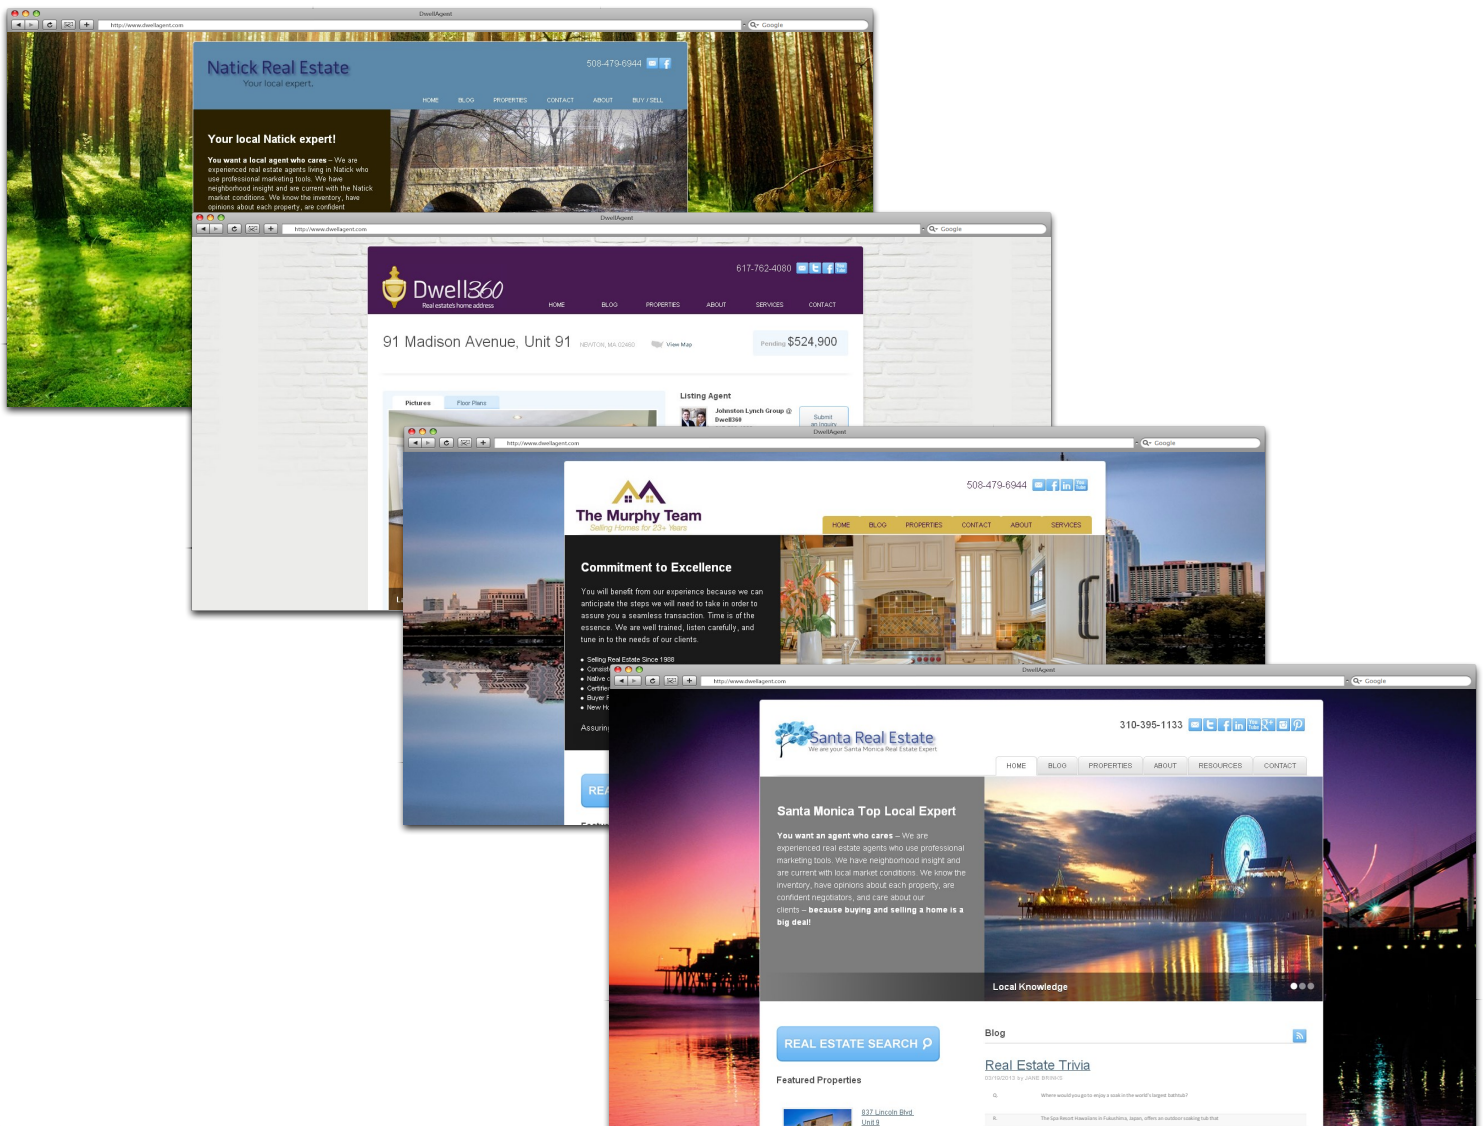

- DwellAgent websites automatically adjust for optimal viewing on mobile phones, tablets, PCs & other devices

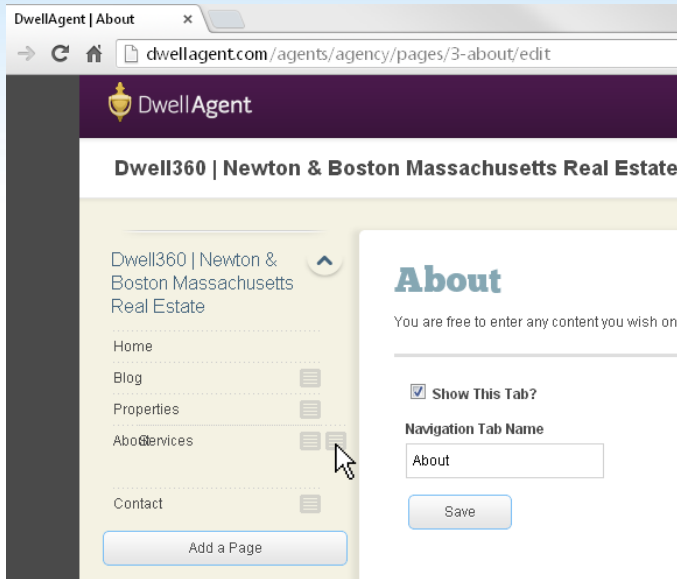

New Features!

Customize Your Website

- Customize your site background with any color, graphic, or picture that suits your brand
- Repeat the background image if you want to create a pattern or texture
- Select custom colors for your header, header text, and navigation tabs for a totally unique look that can be easily changed at any time

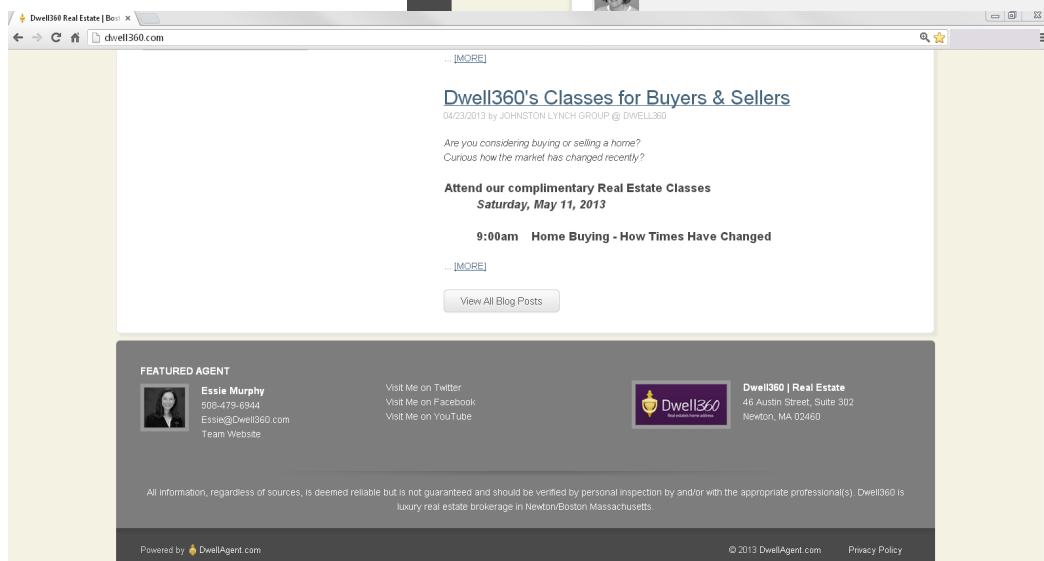

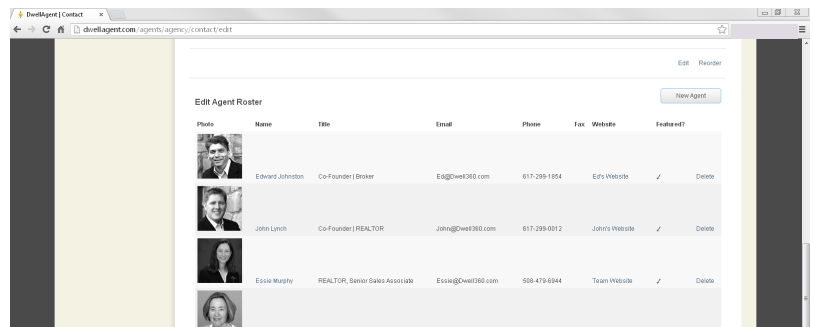

Add More Pages

- Create additional pages for your website with any content you would like!
- Rename any of your pages
- Change the order of your pages
- Hide a page without losing any information on it
- Agent/Broker website navigation tabs will now appear on your property listing websites

Featured Agents

- Your brokerage can select one or more featured agents to be highlighted on the website footer, and change them at any time
- Link & display names on your roster have been improved

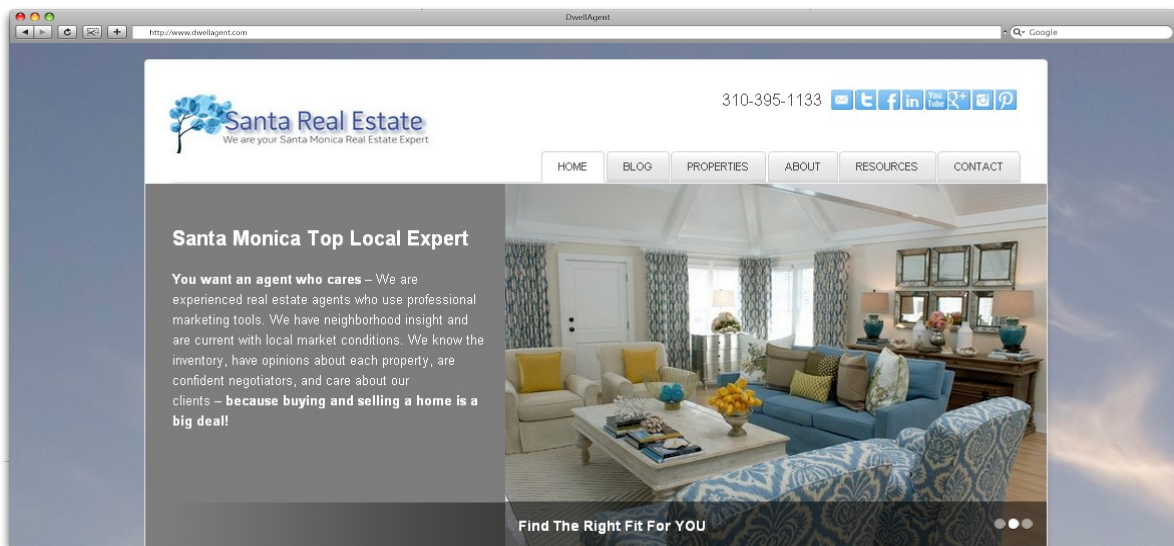

New Features!

More Social Media Tools

- Easily add Google+, Pinterest, and Instagram as well as Facebook, Twitter, LinkedIn, and YouTube icons directly to your website
- Link your clients right to your social media pages

Minimal Effort. Maximum Effect.

DwellAgent will enhance your real estate presence online. Contact us with any questions about our services.
