

## **SAGEMCOM DELIVERS ITS ENTERPRISE CLASS FAXING SOLUTION TO THE CLOUD**

**SAGEMCOM IS PROUD TO ANNOUNCE THE IMMEDIATE AVAILABILITY OF THEIR XMEDIUSFAX CLOUD SERVICE. ORGANIZATIONS AND THEIR USERS WILL ENJOY AN EASY-TO-USE AND EASY TO DEPLOY CLOUD FAX SERVICES WITHOUT COMPROMISE ON FUNCTIONS AND FEATURES.**

MONTREAL, Canada (May 29<sup>th</sup>, 2013) - Sagemcom, a global leader in advanced fax server solutions for IP networks, took their market leading on-premise XMediusFAX server solution and put it into the cloud, without losing any of the enterprise functionality required for secure fax transmissions.

XMediusFAX Cloud allows organizations to lower costs and simplify IT administration by using our faxing application that runs on shared multi-tenant infrastructure in the cloud. The service can be deployed rapidly and replace capital investments with predictable monthly subscriptions.

XMediusFAX Cloud is a perfect fit for a modern work environment where secure document transfers are part of a complex business process and employees are working remotely from branch office locations and using different applications and devices.

*"The vast majority of "fax-as-a-service" offerings address only the needs of small home office and individual users. We are pleased to provide all sized businesses with powerful inbound and outbound fax functionalities typically found in Fortune 500 companies" stated Jean Champagne, General Manager of Sagemcom Canada.*

XMediusFAX Cloud offers great benefits for both customers and partners. Organizations and their users will enjoy an easy-to-use and easy to deploy cloud fax services without compromise on functions and features. Resellers will gain a competitive edge by offering cloud-based Fax-over-IP and capturing recurring revenues, without having to do any investment in a platform, billing, or software infrastructure.

### **Availability**

XMediusFAX Cloud service is available for direct subscription or for resell. Please visit [www.xmedius.com](http://www.xmedius.com) for more information, to get a free assessment or to become a reseller.

## About Sagemcom

French high-technology group with an international dimension, Sagemcom operates on markets of broadband (digital home, digital set-top box, broadband and residential terminals), telecom and energy (M2M, telecommunications infrastructure, smartgrid and metering), and management of documents (printing terminals, software and solutions, digital production workflow).

With a turnover of about 1.5 billion Euros, Sagemcom employs 4 600 people on five continents; already a European leader in most of its key markets, Sagemcom aims to become a world leader in high added value communicating terminals.

Sagemcom is strongly committed to sustainable development through the life cycle of its products: eco-design, energy consumption, ethical code of all its suppliers.
