

SAY IT WITH A

# BrandStand™

Reach out and touch your customers with the adjustable, portable, promotional hand sanitizer stand.

The BrandStand™ takes hand hygiene and in-store promotions to a new level. Great for communicating specials, corporate messages, cross-promotions, revenue generating sponsorships or just letting your customers know you care about their health. The BrandStand goes where you need it most... where the people are! The BrandStand comes in three different styles: Standard, EZ-Change and Video, and features the All-In-One VersaClenz Touchless Dispenser and cartridge system.
