MEDIA ADVISORY

CVSA'S ROADCHECK FOCUSES ON CARGO SECUREMENT AND BUS SAFETY 26th Annual Roadcheck to Send Strong Safety-First Signal to Industry

- WHAT:** **NEWS CONFERENCE** and **SAFETY INSPECTIONS** to kick off the 2013 International Roadcheck (June 4-6) to spotlight the critical role of comprehensive driver, truck and bus inspections to prevent roadway tragedies. The 26th annual Roadcheck will emphasize commercial motor vehicle compliance with all safety regulations, with emphasis on cargo securement on trucks and safe operation and maintenance of buses and motorcoaches.
- WHERE:** FedEx Field Parking Lot# G2, 1600 FedEx Way, Landover, MD 20785—Maryland State Police will be pulling commercial motor vehicles off the inner loop of I-95 (Capital Beltway) for safety screenings or inspections. Google maps location: <http://goo.gl/maps/knMX2>
- WHEN:** Tuesday, June 4, 2013, at 10:00 a.m.
- WHY:** Sponsored by the Commercial Vehicle Safety Alliance (CVSA), Roadcheck dispatches 10,000 federal, state, provincial and local inspectors to more than 1,500 locations over a 72-hour period across the continent to conduct comprehensive North American Standard Level I Inspections.
- SPEAKERS:** Major Mark Savage, President, CVSA, Colorado State Police
Capt. Norman "Bill" Dofflemyer, Division Commander, Maryland State Police
Michael McDonal, Eyre Bus
Anne Ferro, Administrator, U.S. Department of Transportation's Federal Motor Carrier Safety Administration
- VISUALS:**
- + Live narrated motorcoach and driver North American Standard Level I safety inspection
 - + Witness to full scale commercial vehicle inspection strike force with over 100 personnel and hundreds of vehicles at one location
 - + Demonstration of inspection technologies and methods

###

FedExField. PARKING GUIDE

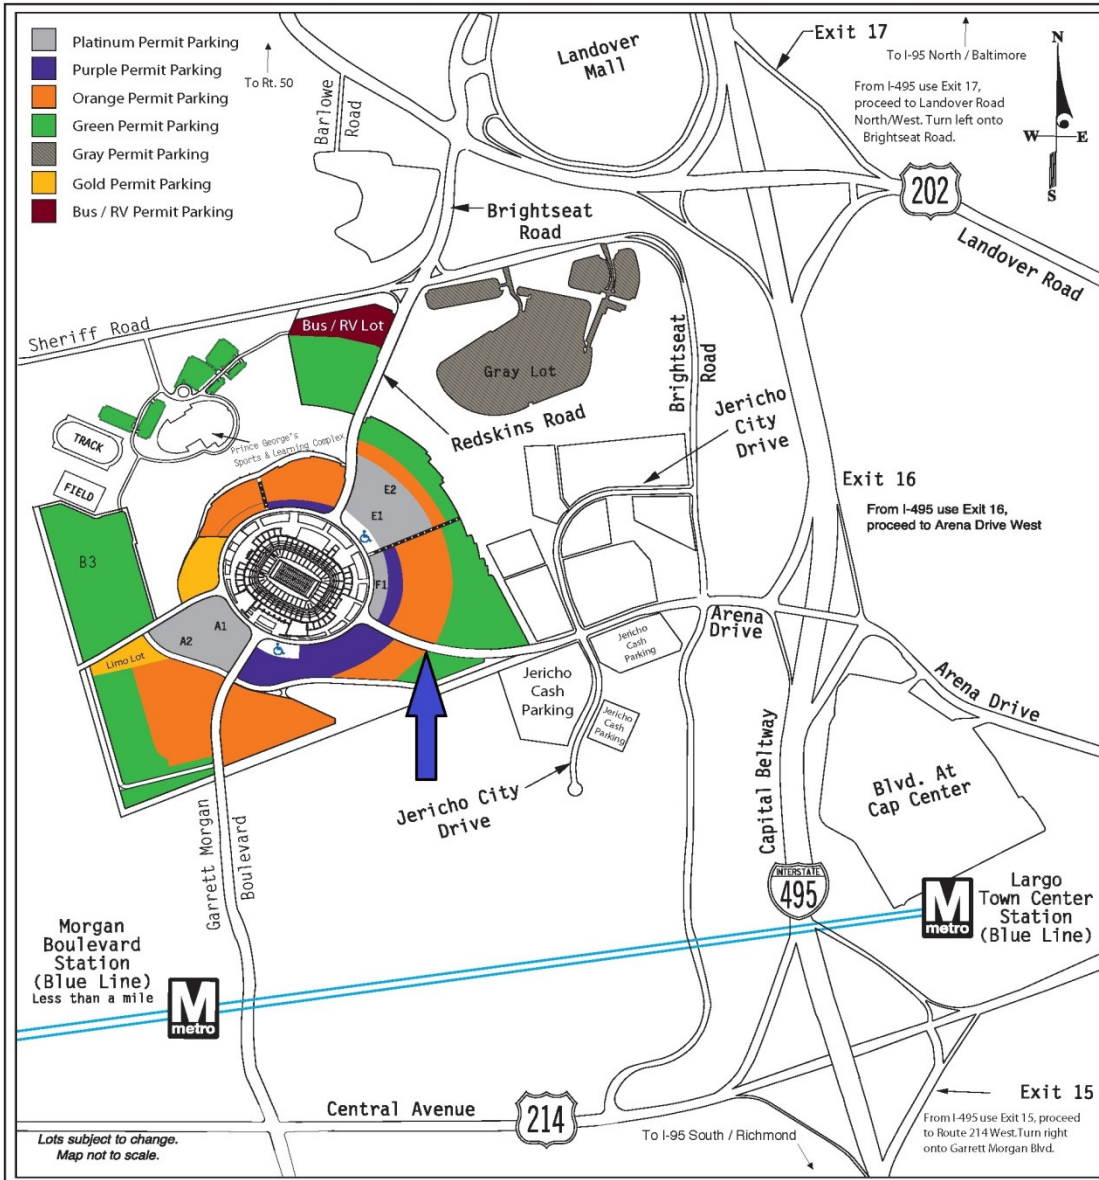

Figure 1 See blue arrow for CVSA Roadcheck Kickoff location (Parking Lot G2 off Arena Drive)

Access to 2013 Roadcheck Kickoff event from I-95 is easiest via Exit 17, Landover Road to Brightseat Road due to heavy truck traffic for event at Exit 16.
