

Manage Perceptions Maintain Compliance Improve Performance

www.voyancehealth.com

Voyance offers a wide range of products and solutions that help healthcare organizations improve overall performance. With a client base that spans across nine healthcare markets, all fifty states, and the trusted partnership of many prestigious management groups and consultants, Voyance has helped thousands of providers become top-performers.

Our innovative solutions help clients manage external and internal perception, implement quality and process improvement initiatives, and evaluate corporate performance. As a CMS-approved CAHPS® vendor, Voyance is committed to helping our clients optimize value-based purchasing and publicly reported scores.

Voyance's annual APEX Quality Award has become one of the industry's most coveted awards. The APEX Quality Award recognizes healthcare organizations demonstrating the highest level of excellence in patient satisfaction over a 12-month period. Since 2008, over 200 healthcare facilities nationwide have been recognized.
