Lido Beach Resort offers deal to power guests attending Super Boat Grand Prix fest

Sarasota beach resort welcomes visitors with complimentary breakfast for two at Café Lido

Sarasota, FL – [Lido Beach Resort](#) is going overboard for the 29th annual Suncoast Super Boat Grand Prix Festival by offering a deal that will make visitors' mouths water before they partake in any of the event's scheduled activities.

The Sarasota beach resort wants guests to fuel up on the day's most important meal with its [Breakfast at the Beach Package](#) which includes deluxe accommodations from \$222.75 per night along with breakfast for two adults at Café Lido.

The [festival](#), taking place June 29 to July 7, 2013, features myriad activities for the whole family, beginning with a golf tournament and culminating with two giant boat races on Lido Beach between New Pass and Big Pass. Car and boat exhibits, a poker tournament, parade, bikini contest, motorcycle ride and fashion show also are planned throughout the nine-day event touted as one of the largest in the sport. A spectacular fireworks show beginning at dusk on July 4 will allow visitors to celebrate their freedom in style while enjoying the weather in Sarasota Bayfront Park. Live entertainment and plenty of food options will be available at a

downtown block party planned for July 5, and the parade of boats on Main Street in downtown will surely get onlookers revved up for the action-packed weekend ahead. Proceeds from all activities help support Suncoast Charities for Children, a nonprofit organization serving children with special needs and their families in the Sarasota, Venice and North Port areas.

Guests needing a break from the crowds can enjoy the Sarasota hotel's two beachfront heated pools, one designed for families and one catering to those 18 years and older. The poolside Tiki Bar serves a variety of sandwiches and salads, while delivering an array of cocktails, wines and beers. A daily happy hour from 5 to 7 p.m. offers appetizers and half-price libations.

Three poolside hot tubs will be the ultimate place to relax after a strenuous workout in the 900-foot fitness center equipped with state-of-the-art cardio equipment. The hotel also offers 300 feet of private white sand beach, a tropical landscaped sundeck and a garden area with waterfalls and reflecting pond so visitors can take in the Florida sunshine in style.

After a full day of activities, visitors will be rest assured that pure luxury awaits them at the pet-friendly Sarasota resort – from its spacious, [well-appointed rooms](#) to top-notch amenities. Plush king, queen and double beds topped with soft linens will help weary guests get a sound night's

sleep, while comfortable chairs, his and her closets, in-room safes, 32-inch flat-screen TVs and wireless Internet access afford guests the conveniences they deserve. Deluxe rooms feature kitchenettes with full-sized refrigerators, microwaves, dual stovetops, dishwashers and cozy dining areas perfect for families that want to save a little money by not eating out at every meal.

Guests taking advantage of the special breakfast package can savor hearty menu items at [Café Lido](#), including traditional eggs benedict, made-to-order omelets, coastal breakfast wraps and cinnamon swirl French toast in a casual indoor or outdoor setting. Fresh-squeezed Florida orange juice and fresh-brewed coffees also are readily available.

About Lido Beach Resort
