

World T.E.A.M. Sports

Be Exceptional.

Changing Lives through Sports

World T.E.A.M. Sports is a 501(c)(3) not-for-profit organization chartered in North Carolina and headquartered in Holbrook, New York. For more than twenty years, **World T.E.A.M. Sports** has organized athletic events for disabled and able bodied citizens – mountain climbing, white water rafting, bicycling, skiing and more. We change lives through sports.

World T.E.A.M. Sports uses sporting activities to challenge disabled and able-bodied men, women and children to reach accomplishments they never thought possible. Four things always happen at our events: (1) Disabled participants build self confidence and physical fitness; (2) The disabled provide a role model for other disabled citizens, encouraging them to take up physical activities; (3) The disabled become a moving inspiration to other participants and to spectators when they see that disabled individuals can meet challenges beyond anyone's imagination; (4) The disabled and able-bodied participants learn to work as a team to overcome those challenges.

Support for **World T.E.A.M. Sports** comes primarily from individual and corporate donations and sponsorships.

“World T.E.A.M. Sports has given me an opportunity to re-identify myself. People don't look at me as just an injured veteran anymore. They now see me as the veteran that rode her hand cycle across the country and climbed a mountain in Nepal. These experiences have allowed me to see myself as a stronger more complete person. I am not just surviving after being injured, I am truly living! Thank you **World T.E.A.M. Sports!!!** I'm ready! What's next?" - **Nicolette Maroulis, US Navy (Ret), Face of America (2010), Sea to Shining Sea (2010), Soldiers to the Summit Nepal Expedition (2010)**

“For most people, the road to recovery starts when they enter a rehabilitation hospital. But for me, the recovery process started in March 2007 when I left my final rehabilitation hospital and joined a team called **World T.E.A.M. Sports. That's when I accepted the challenge of riding the *Face of America* ride—my very first ride and a ride that changed my life! As I look back to the harsh reality five years ago knowing I would never walk again, I am extremely humble and grateful that the Lord put **World T.E.A.M. Sports** in my life to be able to give me challenges that would in the most positive way alter my quality of life.” - **Eric Frazer, US Marine Corps. (Ret), Sea to Shining Sea (2010), Face of America (2007), Adventure TEAM Challenge****
