Jupiter Beach Resort & Spa Celebrates Sea Turtle Season With Limited-Time Offer

South Florida beach resort offers guests a complimentary third night so they can go on a guided turtle walk

Jupiter, FL – Travelers looking to break out of their shells for an adventurous getaway have a unique opportunity to take a walk on the wild side with some extra encouragement from the [Jupiter Beach Resort & Spa](#).

The South Florida beach resort is celebrating turtle season along the Atlantic Coast with a hard and fast deal that will save guests some green and provide an opportunity to peek into the nesting and egg-laying process of endangered loggerheads, leatherbacks and greens. The hotel's 3rd Night Free deal allows visitors to pay for two nights and stay for a third when deluxe accommodations are reserved in advance.

Visitors can be a part of the natural turtle nesting phenomenon without disturbing the creatures by signing up for Escorted Turtle Walks that are offered nightly by Loggerhead Marine Life Center. The nonprofit facility is just minutes from the South Florida beach resort and is a leading authority in sea turtle education, research and rehabilitation. Guests will get to learn about the plight of Jupiter turtles and visit with some of the reptiles that are being rehabilitated at the facility before going on a beach walk of up to a mile-and-a-half to experience the nesting process up close. The adventure, designed for visitors 8 years and older, begins at 9 p.m. and goes up to

midnight through the end of July. Cost is \$17 per person. A limited number of spots are available per night, so North Palm Beach visitors are encouraged to book tours ahead of time at www.marinelife.org/turtlewalk.

After trekking across the soft sands of Juno Beach and experiencing nature at its finest, visitors will return to the casual elegance of one of [168 rooms](#) with well-appointed amenities. Weary guests will get a sound night's sleep on one king or two double beds topped with Egyptian cotton linens, down-filled duvets and plenty of fluffy pillows. Marble bathrooms with pedestal sinks and designer mahogany furnishings provide a touch of style, while irons and ironing boards, hair dryers and in-room safes offer convenience. Guest can stay connected to the outside world with complimentary high-speed Internet access and flat-panel TVs with premium cable channels or chose to tune out and instead sip a cocktail from the in-room honor bar while enjoying breathtaking views from their private balcony. Coffeemakers, plush bathrobes and slippers, radio/CD player alarm clocks and signature resort toiletries are other luxuries guests can expect from the Jupiter Beach Resort.

For guests needing a little extra TLC after their beach excursion, the onsite, [full-service spa](#) can provide a number of massages, body wraps, facials, manicures and pedicures for the ultimate in relaxation and revitalization. The facility also offers haircuts, colors, styles and waxes.

To take advantage of the 3rd Night Free deal, guests should use promotional code 3NFREE when [booking online](#) or by calling 1-866-943-0950.
