BRYAN / COLLEGE STATION GAINS AN ONLINE RESOURCE FOR BOUNCE HOUSE RENTALS

College Station, TX, June 14, 2013– AgniTEK, a nationally-recognized company for their expertise in helping organizations leverage technology to improve businesses, is pleased to announce the launch of a new and improved website for Hullabaloos Bounce House Rentals at <http://www.hullabaloosbounce.com>. The new website was designed and created by AgniTEK associates in about one week and is now live and taking orders.

Hullabaloos Bounce House Rentals, a new company owned by Jared and Serena Pick, offer bounce house and various other rentals to College Station/Bryan and surrounding areas. They provide customers with a simple way to host an extravagant gathering at an affordable price. Hullabaloos offers numerous inflatables, a trackless train, clowns, fun food machines, party accessories and even FOAM parties available for rental. The associates at Hullabaloos strive to provide the best customer service possible in the industry. Safety is their key factor, along with punctuality, cleanliness and fun! To learn more about the company's services visit their website today.

The new website provides customers with an easily navigable and highly organized way to learn all that Hullabaloos has to offer. The site will feature an online booking system, which will allow customers to book everything they need for the perfect event at the click of a mouse. The site will also offer a Frequently Asked Question section and updated contact forms that will provide customers with an easy way to learn all they need to know about Hullabaloos. This new and improved website provides Hullabaloos with a more efficient way to operate as they continue to expand.

AgniTEK is a full service website and software solutions company serving Texas companies for over 15 years. They deliver reliability, consistency, simplicity and value in website services and software application development work. AgniTEK has been named a five-time Newman 10 Award winner and three-time Aggie 100 Award winner.
