THERE IS A NEW RESOURCE FOR RENTAL PROPERTY SEARCHING IN BRYAN / COLLEGE STATION

College Station, TX, June 16, 2013– AgniTEK, a nationally-recognized company for their expertise in helping organizations leverage technology to improve businesses, is pleased to announce the launch of a new and improved website for Aggieland Leasing at www.aggielandleasing.com. The new website was designed and created by AgniTEK associates and is now live.

Aggieland Leasing is brought to you by Beckendorf Investments. They offer many luxury homes for rent, houses for rent, rental properties, duplexes, townhomes, and apartments in College Station and Bryan, Texas. Aggieland Leasing has been providing Aggies with quality, affordable rental properties for over 20 years. They own and manage their own properties so there are no management companies to deal with, you just deal directly with the owner. Many of their properties are close to Texas A&M University's campus or on the A&M shuttle bus route. Their properties also offer spacious floor plans, new carpet and flooring at excellent prices. To learn more about rental properties in the College Station/ Bryan area, visit their website today.

The new website provides prospective renters with an easy way to browse properties and gain resources pertaining to their upcoming move. The website also features an easy way for residents to submit a maintenance request online, which gives Aggieland Leasing an efficient way to process the requests. The new and improved website will hopefully help bring the company more business.

AgniTEK is a full service website design, SEO and internet marketing, and custom software solutions company serving Texas companies for over 15 years. They deliver reliability, consistency, simplicity and value in website services and software application development work. AgniTEK has been named a five-time Newman 10 Award winner and three-time Aggie 100 Award winner.
