

At VIP Communications we specialize in connecting people around the world by providing companies with high quality, affordable global communications services.

We can help you reduce your company's international calling costs and improve the efficiency of communication between your business and your partners, suppliers, and clients overseas.

## How do you know if VIP Business Preferred is right for you?

- ✓ Your business depends on high quality, cost effective international communications
- ✓ You call overseas from landlines and mobiles, and from different locations
- ✓ It's expensive for your overseas customers and suppliers to call you
- ✓ You want to reduce calling costs but you don't want to change your existing providers
- ✓ You need a better way to manage and track your international calling expenses

## What can VIP Business Preferred do for your business?

- ➔ Reduce your outbound international calling costs up to 90%
- ➔ Save on all calls from any telephone in use by your company, including mobiles
- ➔ International call forwarding at local rates in over 50 countries with Direct Line®
- ➔ No need to change any of your existing services or service providers
- ➔ Customer portal enables real time tracking of calls, changes to service set up and cost analysis

## How does VIP support your communications needs?

- ✓ *'Live' US based customer service team*
- ✓ *Highest quality connections*
- ✓ *Dedicated Account Management*
- ✓ *Wide range of value adding service features*
- ✓ *FREE smartphone apps for Android, iPhone and BlackBerry*

## How much can you save with VIP Business Preferred?

**Outbound Calling Rates** - VIP Business Preferred offers excellent calling rates to all international destinations. Your staff can use your Business Preferred account from any telephone, including mobile phones. The rates are consistently lower than other providers and the call quality is consistently high.

Country	VIP communications	Verizon Wireless	AT&T Wireless
 Germany	3.9¢	\$1.49	\$1.49
 United Kingdom	3.9¢	\$1.49	\$1.49
 China	2.9¢	\$1.49	\$1.49
 South Korea	2.9¢	\$1.49	\$1.49

\* Pricing based on rate per minute to landlines from the U.S. Competitor pricing based on standard plans as of Dec 2012.

*Compare our international rates with Verizon Wireless and AT&T Wireless\*. Contact a Business Support Specialist today for current rates in the countries you call most!*

**Inbound Calling Rates – Direct Line®** offers you the opportunity to have your own local numbers in 50+ countries and enables your international clients and partners to call you at low local rates. You can forward your Direct Line® numbers to any phone worldwide and change the ‘forwarded to’ number at any time. For example the rate to forward calls to US numbers is 6.9 cents per minute. Rates to other countries may vary.
